Who is this for? Everybody! Members and guests, so bring your friends from university, work, or from anywhere, who have already received some kind of education from our movement.

This time the workshop will have two available courses:

1. Inner Growth (for guests and members seeking to grow their faith)
2. Leadership Training (for young members who take responsibility or want to develop leadership skills)

(The courses apply only to the lecture sessions. All other programs will be held together.)

We aim to ignite the fire of hope and support you on your personal journey of growth.

Please share this in your communities, and let us know if you have any questions!

Can't wait to experience the magic of CARP with you all!

EUROPEAN CARP WORKSHOP

**- INFORMATION -
LETTER**

**CAMBERG, GERMANY
AUGUST 24-30, 2026**

workshop motto:

20

CHARIOTS OF FIRE

26

Throughout history, God has entrusted people with the flame of hope. Even in the darkest moments, when it's hard to see the way forward, He is alive, working, and guiding. With faith, giants can fall, races can be won, relationships can heal, and purpose can be discovered. However, He also calls us to take responsibility. Once someone learns to carry the flame of hope, they can pass it on to others.

You can be the one who carries that fire of hope.

We invite everyone aged 18-35 for a journey of growth. The workshop is a perfect opportunity to get out of your comfort zone and make lasting friendships with people from all around Europe. This year, participants can choose between **two courses, inner growth and leadership training**. We are extremely excited to have this project come to life and hope to meet you soon!

Sincerely,

Robert Karagezian and Marko J. Skrodzki

COURSES

The courses apply only to the lecture sessions during the workshop. All other daily programs will be held together as one group. You can apply to only one course of your liking.

1. INNER GROWTH

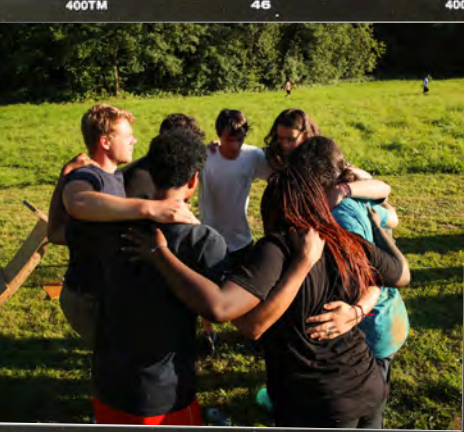

This course is for anyone seeking a deeper understanding of faith and God, combining personal growth with both experience and education. The lectures will focus on universal life principles, giving you space to reflect, learn, and deepen your own spiritual development. **Here, the focus is on your inner growth.**

2. LEADERSHIP TRAINING

This course is for anyone ready to take responsibility, whether you're someone eager to help, an aspiring leader, or already a leader. No matter your role, learning how to lead and give is essential. **Here, you'll learn how to support your community, build and develop a CARP chapter or other initiatives, and help others grow.**

If you have any questions about the courses or need guidance in choosing one, feel free to contact us. (Contact information can be found at the end of this letter.)
