

Family Festival in Yekaterinburg, Russia

Evgeniy Skvortsov - February 10, 2019

On Sunday, February 10, members in Yekaterinburg, Russia, held a Family Festival.

Two couples took part in this event, participating in three stages of the Marriage Blessing. In addition, two young single men drank Holy Wine.

The guests included the leaders of three diasporas living in the Yekaterinburg area. These leaders liked everything they saw at the Family Festival. We will continue to cooperate with them and will try to hold festivals in their communities.
