Vision and Spirit of Love and Peace of True Parents become realized substantially in Peace Road Thailand 2016 on the theme “Bike for Peace” with more than 1,600 people included 1,000 bikers, UPF committee, FFWPU committee, Ambassadors for Peace, government officers, volunteers for safety, director of local high schools, CARP members and young Second Generation participated at the Plaza Mall of Sport Authority of Thailand at the heart of Bangkok on Sunday 24th July 2016. All bikers and participants feel so inspired and moved to know that Rev. and Mrs. Sun Myung Moon, Founder of UPF Thailand put the Vision of Peace, One World Human Family, International Highway Project and biking the bicycle together that they never experience before and can feel how the peace grow and develop in Thailand through this project. The route of cycling took around 15 kilometers and Peace Road Thailand this year is successful with spirit of True Love, family atmosphere and living for the sake of others as one big family.

The Peace Road 2016 organizing committee worked effectively in the spirit of team work and true love with full support of UPF and FFWPU committee. Many Second Generations and CARP members were so excited to take part as volunteer. During the campaign of advertising for mobilize bikers to apply to our event, when the bikers and many associations of bikers knew this such a peace creative vision through

biking through social media; just less than 2 days more than 1,000 bikers registered. The local high school director and teachers also joined. More than that the famous volunteer service organization about safety protection and first aid such as Ruamkatanyu Foundation and Ruamduay Chuaykan Rescue volunteer support Peace Road with full mind for free in order to check all the route about the possibility of accident or harm and brought ambulance and team for first-aid. We also receive support from team so called “Marshall Team” who love to help organize safety and effective biking strategies. These more than 100 people from volunteer organization invested to Peace Road 2016 with spirit of full ownership, good planning, sacrifice and team work with heart of happiness. After these organizations experience Peace Road event they felt impressed with this successful campaign for peace of TP and expressed the same heart that they will come back again next year and will help to bring more bikers and volunteer organizations to join our Peace Road 2017.

On 24th July 2016. Staffs work since early morning for preparation. The opening event began at 6.30 am. by Gen.
