NEW HOPE FAMILY

Dear New Hope Family! TICKETS AND BUSES Info Thank you, you're the best!

First, thank you all for the graceful (indemnity) patience everyone heroically demonstrated so far. To be honest, this has been a “less than a smooth and easy exercise so far”, but, you’ve been exceedingly gracious. A significant victory looms and we’re so grateful to God, TP’s and everyone. Changing plans and protocols made it all a bit bumpy. That said, again, we really appreciate everyone’s patience and such a mature and sacrificial spirit. New Hoppers – are the best members in the USA! Absolutely. Thank you.
