*Guidance from the Regional President Rev. Bakary Camara*

Rev. Kililo also encouraged us to Keep record of our Tribes as the Tribe increases through taking photographs, Visiting them, knowing what this one has done, where they stay, whom they stay with etc and loving the spiritual children as our own children. He said that a Tribal Messiah takes responsibility of his children even when these children go astray. He also said that Now that True father is in spirit world, we need to work extra hard and fulfill our responsibility in achieving Tribal Messiahship in the nation. True Parents have completed and concluded their mission, our mission is to carry the cross and follow them on the path of Tribal Messiahship

Rev. Kililo also spoke about Restoration of 7 nations for God by 2020 and deeply expressed it through the 8 stage elevation formula from servant of servant all the way up to the Father showing how many couples are required for each level as the Nation is being restored. He also gave a Testimony, where A Successful Tribal Messiah challenged him about Tribal Messiahship Activities.

Participants discussed three 3 which were:

1. How to achieve Tribal Messiahship,
2. How does Tribal Messiahship relate with Uganda today,
3. When do we start implementing Tribal Messiahship in Uganda.

Three groups consisting of about 20 people each were created to discuss these questions. The first group was led by Rev Edwin Plekhanov national leader to Burundi, the second Rev Makuuza Francis national leader to Rwanda and the third was led by Rev Gimeyi Moses national leader to Uganda.

Group 1 was represented by Mr. Katungi Jackson, who spoke about reaching out to communities, schools, institutions as a way to achieve Tribal Messiahship. He also spoke about strategies like Social media,

finding interests of people using these interests to connect to people to True Parents. He concluded by saying that we need to start now to do Tribal Messiahship.

Group 2 was represented by Anna Nadunga, who spoke about using our providential organizations as a starting point in Tribal Messiahship, Connecting with other organizations starting with those where our members are directors, witnessing to politicians. Lady Anna also said that Tribal Messiahship has already begun and people are already doing their tribal messiahship.

Group 3 was represented by Mr. Lugeba, who spoke about using Family church as the starting point in Tribal Messiahship. He also hinted on the financial challenge as the hindering block in the tribal messiahship activities.

Rev. Camara spoke about Purification of our bodies and our minds. He said that we need to purify ourselves first before we witness to others. He instructed us not to smoke and not to drink. He encouraged us to really try our best to connect to the heart of True Parents and Heavenly Parent through prayer and fasting constantly until we tap into the heart of God. He said that we have to really fulfill our responsibility.

Rev Camara said that we should go out witnessing with a heart of saving the people, not with a heart of making members. He deeply expressed to us that True Parents have carried a heavy burden because of us. He said we are supposed to be blessed when we had 3 spiritual children, who are willing to sacrifice their lives for us. He said that many members received blessing without fulfilling this condition and therefore Satan accused True Parents and they had to pay a huge indemnity. He said all issues arising from the True family are because of us who are failing to fulfill our responsibilities. He also encouraged us not to stay far away from our spouses unless we have a special mission from True Parents. He said that our entering the kingdom of Heaven depended on our tribal Messiahship success. Rev. Camara also conveyed Orientation he received from Mother about Tribal Messiahship to us.

**DAY 3 (Sunday Service):** Rev. Camara spoke about unity with members and helping each other's. He said we need to identify our subject partners. Otherwise there is not direct path to God. He also said that we need to pray for our leaders and really invest ourselves in Tribal Messiahship Activities.

He also spoke about his experience with the Kamugisha Family staying on the land that True Mother bought for Uganda. He said that he was inspired by this humble family, which was raising goats and rabbits as a means to pay tuition for their children. And on that background he began a fundraising campaign to construct a church and a center in Lusaaze. Rev. Camara led fundraising by pledging a donation of \$3000. This inspired the members to also pledge and offer. In total \$13,050 was raised for the construction of the church. During the fund raising Rev. Camara sang a song about True Parents. They are behind me, they are in front of me. They are behind me they are around me so I cannot fear". He thought us to sing this song and every one were inspired to do so.

Rev. Camara was happy with the Uganda family and promised to come back very soon.
