Dear Brothers and Sisters,

### Announcing some Personnel Appointments in the EUME Region

Greetings from London! Thank you all for your continued determination and faith as we move through these stormy waters together. Our thoughts and prayers are with our families in Japan, and above all with our True Mother who has now been in detention for almost six long months.

We hope you are a little reassured – as we are – to hear reports that True Mother is just as strong, patient and loving as always. Today we heard Yeon Ah Nim's report of her recent meeting and Mother's confident assertion "Heaven is Alive!" And she is always asking us to "get on with it" and be about the work we already all have.

In that spirit, we are pleased to now able to announce the first batch of leadership changes and appointments throughout EUME, following on from our *Passing the Flame* conference in Prague. Please join us as we offer our sincere thanks and appreciation for everyone finishing a mission and for those who are just starting. They will need all our love, prayer and support, and of course, the grace and mercy of Heaven besides.
