

Lowering the CheonBo requirements created an overwhelming number of victory reports; so many that there is not enough room for every CheonBo candidate

Dear Most Beloved Tribal Messiahs,

2019 was a victorious year for Heavenly Parent and True Parents. Hundreds of Blessed families across the nation stepped up to not only complete their Heavenly Tribal Messiahship mission, but succeeded in blessing all 8 lines of 430 generations of their ancestors. To honor the Heavenly Tribal Messiahs, True Mother initiated the CheonBo Won providence. Originally, those who fulfilled the Heavenly Tribal Messiah Victor requirements would be invited to participate in the CheonBo Registration Blessing to be held this February in Korea. Until very recently, this opportunity was only for Tribal Messiah Victors.

However, since the CheonBo Registration has been postponed, application to register for the CheonBo Won has been opened to include anyone who completed their vertical 430 (Blessing all 8 lines of 430 generations of ancestors), and horizontal 430 (Blessing 430 couples). Even those who could pledge to complete these requirements by the 8th Anniversary of True Father's Ascension later this year, were encouraged to apply.

Due to this change in schedule, CheonBo candidates (those who have completed their horizontal and vertical tribes) who had completed reporting their tribes, were invited to attend the events in Korea, with the understanding that the CheonBo Registration will not be taking place at this time.

Yet, due to the overwhelming number of recent reports and the limited space, we could only accommodate a certain number of CheonBo candidates, prioritizing Victors and early reporters, who were each sent a formal invitation via email. If you are uncertain of your status, please contact your local pastor or Heavenly Tribal Messiahship (HTM) Coordinator.

We want to thank you for taking the time to apply for the CheonBo Won. We understand the technical challenges that some of you must have faced to register each member of your tribe on the international website. Each of these couples represent your incredible devotion and response to True Mother's calling at this time.

If you completed reporting your tribes, but did not receive this invitation, please understand that you are still considered a CheonBo Won candidate based on your accomplishments. Since the CheonBo Registration will be occurring later this year, those who have received confirmation as CheonBo candidates will be invited at that time. If you recently pledged to complete your tribes by the Anniversary of True Father's Ascension, please note you will need to report your accomplishment to your HTM Coordinator, and they will continue to guide you.

Not receiving an invitation to join the CheonBo candidates group this February, does not mean that you cannot go to Korea. If you have already purchased a ticket, you can still join members from all over the world to commemorate True Father's Centenary and the 60th Anniversary of True Parents' Holy Wedding. You can also attend the Great Works workshop, and if you choose you can go on the [Hyojeong Pilgrimage 2020](#). To join the pilgrimage, please register at familyfed.org. If you are interested in attending the Great Works and the main events only, it's possible to register directly with the HJ Heaven and Earth CheonBo Training Center by calling their International Office at +82-31-589-7177(9:00~17:30) or e-mail cpintl2013@gmail.com.

Thank you again for your efforts and attendance of True Parents' direction and guidance. It is because of your response that we are able to accomplish so much and will ensure that this year will yield even more miraculous results!

God bless you and your tribe in this new decade!
