Dear Wonderful Family,

Wasn't True Parents' Birthday celebration a beautiful sight? True Mother was more beautiful and radiant than ever in her splendid ruby red and rich gold hanbok.

If you haven't yet sent in your reflection, please send it to Rev. Inguk Seo at iseo@unification.org. He has been translating all your reflections, so Dr. Kim can share them with True Mother. So, please keep him in your prayers with gratitude and appreciation for his work.

I'm writing to share with you some good news. It is our hope that no adult be left behind from being able to participate in giving True Parents a birthday present. Therefore, after discussions with the Subregional Directors and all 50 State Leaders, we agreed upon an extended deadline to allow everyone more time to offer their gifts to True Parents.

The new deadline for offering our donations for True Parents' Birthday is February 23, at midnight. Remember, the suggested amounts are as follows:

Adult singles - \$210

Couples - \$1,000

Special Donation - \$10,000, givers of which will be awarded with a special gold medal anointed with a Heavenly Seal.

More good news: the video we saw on Heavenly Parents' Day is now available online on the donation page. Watch it, share it, enjoy it, share it again, and don't forget, it is a blessing to give. So let us give [right here, right now](#) to True Parents.

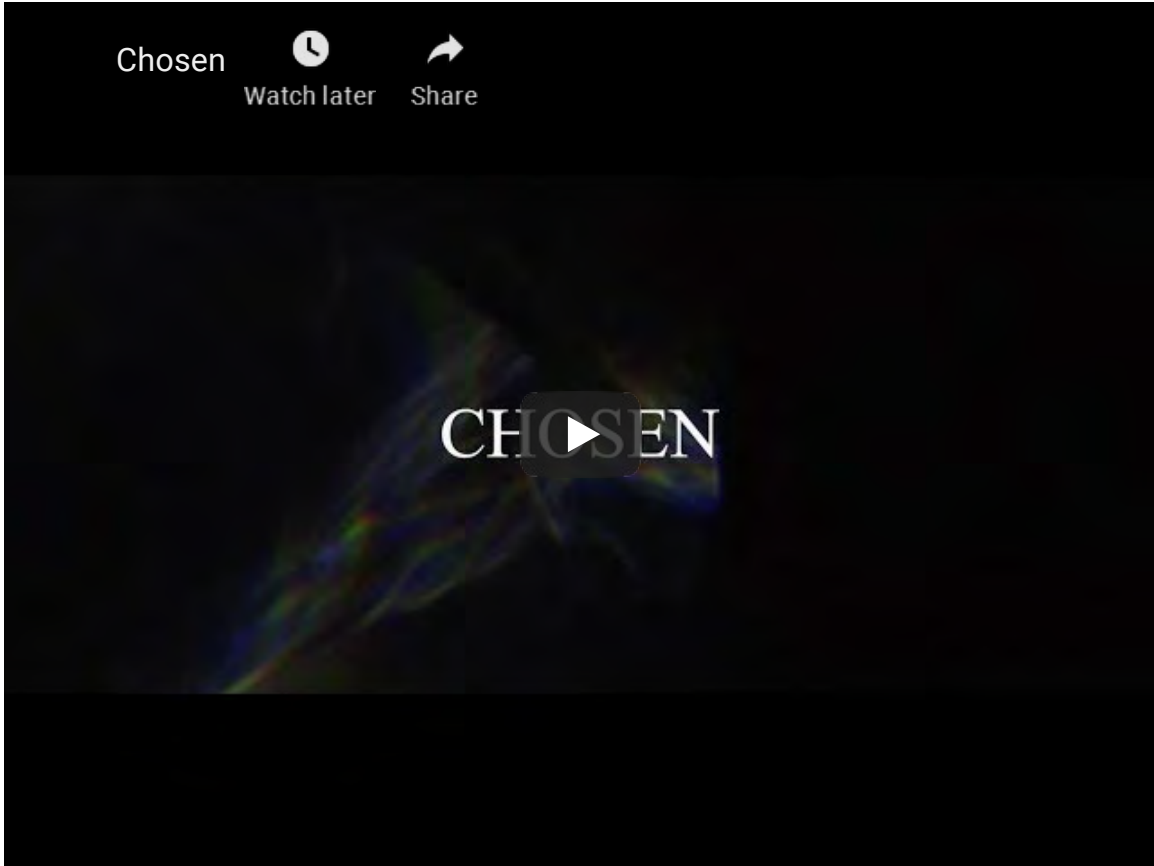

2019 was a wonderful year, an incredible year. In a way it feels like we weathered the storm for the past seven years, and now we're on the other side. Now it's time to break through at every level. So, set your GPS for Heaven, because the Kingdom of Heaven is where we're headin', and we're building it together, right here on earth.

God bless you, family.

With love,
