Dearest Brothers and Sisters!

May Our Heavenly Parent and True Parents be with you and bless you every moment.

Thank you all for your sincere hearts in preparing for the CheonBo Won.

As you may know, the time period in which we can apply for the CheonBo Won has been extended to September, on the occasion of True Father's Ascension anniversary. This is thanks to our True Mother's earnest heart to receive us all in the CheonBo Won. True Mother herself has expressed that, "All of your names must be registered there. You have to know that you are in a position that is blessed by God." (May 26, 2017)

Given this extension, we are still accepting applications for the CheonBo Won. Below is a list of next steps in your application process.

1. In order to assist you and the hundreds of Tribal Messiahs throughout the U.S., we are asking that EVERYONE, whether Proclaimer, Candidate, or Victor, fill out the application forms on TribeNet.co. Please start by clicking [here](#). Even if you have filled similar forms before, please fill out this form now. You will need to be a TribeNet subscriber (paid or free account) to access the form. If you are not subscribed, then click the link and follow the instructions to create an account.

2. If you proclaimed to fulfill the requirements for the CheonBo Won, but have yet to begin the steps toward that end or are in the process, here are your next steps:

1. Complete your horizontal 430

1. Become a certified blessing officiator through the [BFM website](#)
2. Give the blessing, up to the chastening ceremony to 430 couples
3. Report your tribe on the [tribenet](#) and [HTMA](#) websites.
4. Make sure to check the tribenet website and consult your local HTM Coordinator for standards and guidance.

2. Complete your vertical 430

1. Keep a lookout for future [Hyojeong CheonBo Workshops](#) in the US or in Korea to attend and liberate/bless your ancestors.

2. Send your complete ancestor liberation/blessing records to [evangelism@unification.org](mailto:evangelism@unification.org)

3. If you have completed your vertical and horizontal 430 and have sent in all of your lists and records, here are your next steps:

Keep in contact with your local HTM Coordinator about the status of your application

1. We have a backlog of applications that we are currently sifting through, so we might not get back to you right away.

2. Keep in contact with your local HTM Coordinator about upcoming CheonBo evaluation interviews

We are currently in the process of creating a CheonBo evaluation interview process. When we are ready to start giving interviews, we will start with applicants who have completed their vertical and horizontal tribes.

Again, thank you and please keep a lookout for future developments as we are currently working on several projects in order to make this application process as smooth as possible.

We look forward to seeing you all in Korea in September.

God Bless you, your family, and your tribe,

Sincerely,

The TribeNet Team
