You are my sunshine, my only sunshine

True Father's words ring true 44 years after Yankee Stadium

Rev. Sun Myung Moon entering the stadium, followed by translator Dr. Bo Hi Pak.

God's Hope for America

This is an excerpt of Rev. Moon's speech at Yankee Stadium on June 1, 1976.

Here in this grand Yankee Stadium we have gathered to celebrate America's two-hundredth birthday. Among this year's many celebrations, our festival at Yankee Stadium is unique for the following reasons: first, we have gathered together in the name of God; and second, we are having an international celebration. Representatives from all over the world are here for this joyous celebration.

Today we are living in an age when we need to look at every individual and every nation as vital components of the world. In our world, there are basically two ways of life. One is the selfish way of life, and the other is the unselfish way of life, where one thinks beyond oneself and one's family and lives for the greater purpose of the nation and the world. Throughout history, whether in the East or the West, those who played important roles were public-minded, selfless persons.

The sun came out just moments before Rev. Moon took the stage after a rousing chorus of "You Are My Sunshine" from the drenched crowd.

The well-being of the family has to come before that of the individual, the nation needs to come before the family, the world before the nation, and God before the world. This is the philosophy of the selfless way of life. The righteous men and women and saints in history were those people who selflessly sacrificed for God and humankind. Jesus Christ is indeed the supreme example of such a righteous man.

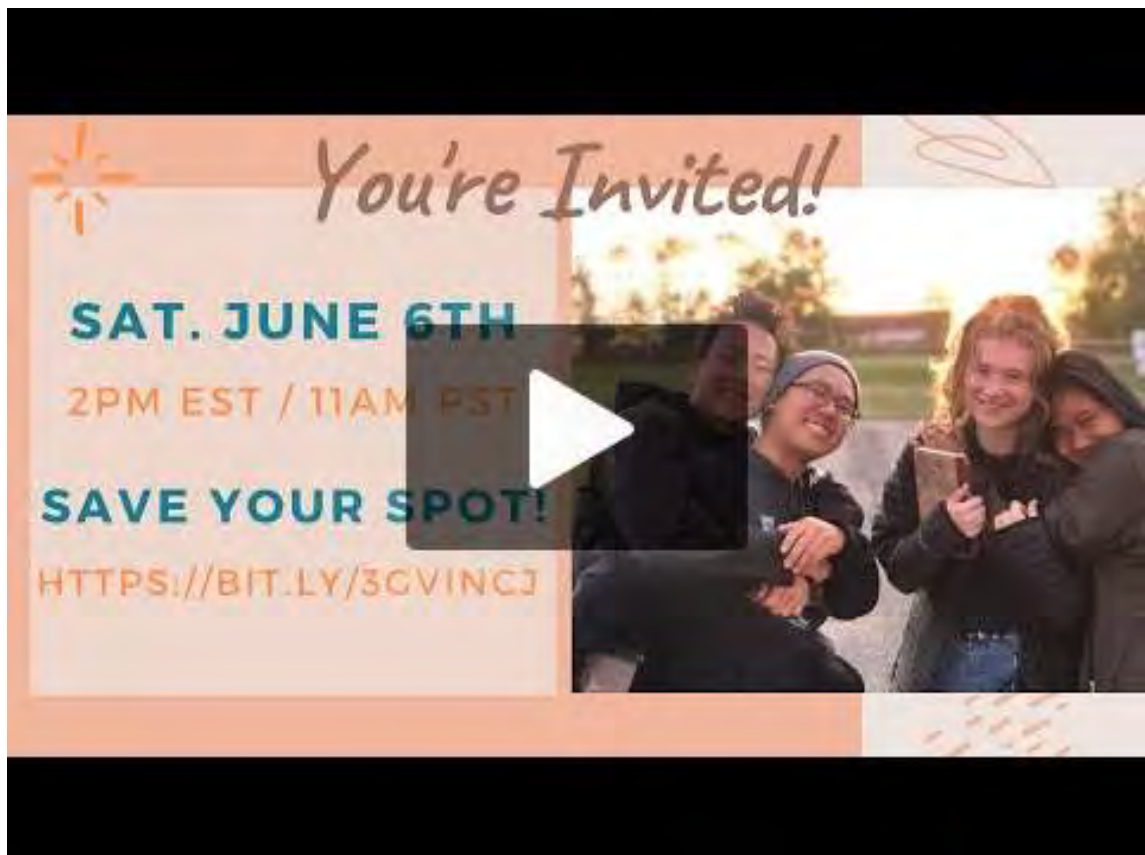

It is really God, however, who is supremely selfless, supremely public-minded. When human beings rebelled against Him, God did not take revenge; He forgave. And God has been working tirelessly to raise sinful people up out of sin into salvation. To do this, God sent His only Son, Jesus Christ. Even at the cost of

sacrificing His Son, God wanted to save the world. God erected Israel as the chosen nation. The purpose of the chosen nation is also to save the world. And God elevated Christianity for the same purpose -- to save the world.
