## America Will Survive by Serving

**True Father's Words on Independence Day 1974**

"My message to you today is that God created man to live for others, to serve others," Rev. Moon spoke. "Today America celebrates a birthday. It was born in the Christian spirit, based on the teachings of Jesus Christ. All

***"The destiny of  
America depends on  
how much closer***

throughout the Bible we are taught to serve others, to give ourselves for our fellow man."

***this nation moves toward God."***

Reverend Moon recounted some of the blessings God has bestowed on America, but warned that blessings never come without a responsibility. America can only survive by serving other nations, he added.

"I came here to bring this nation closer to God, and I pledge my entire heart and soul to that purpose," he said. "The destiny of America depends on how much closer this nation moves toward God."

## **Join the 21-day Jeong Seong Condition**

Leaders in Korea have been offering a 21-day Jeong Seong condition in Jeongshim Won Prayer Hall every day from 11:00 a.m. to 2:00 p.m KST starting June 28, ending July 18.

Kodan brothers and sisters in America are already joining in the condition, including Dr. Ki Hoon Kim, Regional Chairman of FFWPU North America. 10 participants per district, 120 people total, will meet every day to offer 21-30 minutes of prayer per person at the same time as Korea. Anyone is welcome to make this Jeong Seong condition on their own as well.

The prayer points for the condition are:

- The Unification of North and South Korea
  - Victory of True Mother's Rally on July 19th in Korea
  - Victory of America strengthening the witnessing environment in cooperation with ACLC, UPF, WCLC, and WFWP activities
  - That top Christian and political leaders in US recognize True Parents' great work and honor our True Mother
  - For a victorious sharing of True Mother's Memoir, so that we can work and strengthen for Heavenly Tribal Messiahs activities and outreaching
- 

## **\$100k Raised for Charity**

**A Portion Will Go to Covid-affected Communities in the U.S.**

"We are so very moved by the incredible response to this opportunity to raise funds through True Mother's clothing," said WFWP USA President Angelika Selle. "The women in Japan who organized the auction understand and deeply admire True Mother's mission."

About \$100,000 was raised for charity after Dr. Hak Ja Han Moon, founder of Women's Federation for World Peace (WFWP) and affectionately known as True Mother, donated several pieces of clothing from her personal closet this past spring. She gave away various items, including dresses and purses, for a special online auction held by WFWP Japan.
