ATTORNEY BEN CRUMP

Ben Crump is the most recognized civil rights attorney of our time. He most notably is the attorney for George Floyd, Breonna Taylor and Ahmaud Arbery "Like Thurgood Marshall, who was my personal hero, I take cases that don't just impact one entity, but those that impact all of society," says Crump. A civil rights legend, he is also an activist, writer, TV host, movie producer, and philanthropist.

BISHOP HEZEKIAH WALKER

Bishop Hezekiah Walker has two Grammy Awards, as well as numerous Stellar, Dove, Vision, Soul Train, and Gospel Music Workshop of America (GMWA) Awards. Hezekiah was recently inducted into the Gospel Music Hall of Fame, continuing to uplift the masses from far and wide with inspirational songs that focus on maintaining faith and overcoming life's daunting moments. Hezekiah actively pastors the thriving Love Fellowship Church, which he founded in his native Brooklyn, New York.

BISHOP NOEL JONES

For nearly 40 years, Bishop Noel Jones has challenged us through his messages. A theologian and scholar who has been labeled "eclectic, a maverick, and a preacher's preacher," he is known for thinking outside the box and forcing us to think beyond traditional views of God and spirituality. Never being one to shy away from controversy, his propensity to be transparent has often forced us to confront the trepidations and apprehensions of our own lives. He pastors The City of Refuge megachurch in Los Angeles with a membership of 20,000, and has integrated programs that speak to the needs of people in all walks of life. Bishop Jones can currently be seen on The Word Channel on Sunday evenings.
