July 27, 2020

Dear Heavenly Tribal Messiahs,

Thank you for your consistent commitment towards Tribal Messiahship. As an important part of the CheonBo Won application process, International HQ is asking every Tribal Messiah couple to apply on the new CheonBo website. Cheonbov.org

We know many of you have been working hard to report on the Tribenet website and we thank you for all your work. Do not worry, you will not need to re-upload everything on the CheonBo website.

If you have not done so already, please visit the CheonBo website and create an account. You can do so by clicking the join button on the top right hand corner and clicking on the CheonBo Candidate option. Once you've created an account, you will need to upload the following 3 forms and get an approval from a pastor.

Certificate of Completion of the Tribal Blessing of 430 Couples

Once you have reported your completed namelist to tribenet at the following link, [Report your Blessings](#) you will receive a certificate of completion from the Tribenet team.

Completed namelists must follow the US standards. If you are unsure whether your namelist follows US standards, you can read through the tribenet standards tribenet.co/blessing-standards/ and contact your local HTM Coordinator tribenet.co/coordinator/

Note, the certificates of completion needed to upload on the cheonbo website are not the same as Accomplisher certificates.

Certificate of Completion of Ancestor Blessings

These certificates can be obtained through the HJ Cheonbo website. en.hjcbt.org/

For a step by step process on how to receive your Ancestor Blessing certificate, please follow the instructions on the following link. sr5tribe.us/getAncestorCert.html

Certificate of Completion of Blessing Donations

You can send your donations to the following link. [Blessing Donation Submission](#) You can also access this link through tribenet. Upon logging into your tribenet account, you will see a link on the right hand side bar for Blessing Donations that you can click on.

Those who plan on registering for the CheonBo Won this September must plan on giving the full amount of their blessing donations for 430 couples before September.

Blessing Donations will be waived for those couples who were registered in a blessing officiated directly by True Parents and for 160 couples blessed during the 1997 blessing campaign. Please

contact your local HTM Coordinator to confirm your full blessing donation amount.

For this year and future CheonBo Won registrations, donations can be accepted in installments.

Once blessing donations are received you will be issued a certificate of completion for the amount received. This certificate must then be uploaded onto the CheonBo website.

Multiple certificates can be uploaded if you are planning on sending donations in installments

Approval from Pastor

To receive a pastor's approval, couples must receive a life of faith interview from the pastor.

Instructions on how to receive an interview will be given to those who have completed their vertical and horizontal 430.

If you are unsure about your status and whether you should receive an interview, please contact your local HTM Coordinator

The deadline to send all forms in is August 6th. The deadline to receive an approval from your pastor is August 10th. We understand that this is a lot of information and navigating the new website can seem daunting. Therefore, we will be having an info session this coming Tuesday during the office hours after the tribe call where we will go through the application process step by step. Again, thank you all for your commitment to God and True Parents. We hope to see you all tomorrow night at the office hours.

Sincerely,

TribeNet Team
