

FFWPU USA: Updates for the CheonBo Won Application Process

Demian Dunkley

July 31, 2020

Dear Family,

Thank you for your continued efforts to support Heavenly Parent and True Parents' providence and for your consistent commitment towards Tribal Messiahship. As you know, the CheonBo Won application process is ongoing, and many Heavenly Tribal Messiahs have been engaged with this processing and working diligently towards the completion of the application. We wanted to give everyone the most updated information. If you have further questions, please contact your local HTM Coordinator for support on your journey to register for CheonBo Won.

International HQ is asking every Tribal Messiah couple to make their CheonBo Won application through the new CheonBo website - Cheonbov.org. We know many of you have worked hard to report your progress on the TribeNet website, please know that you will not need to reupload everything on the CheonBo website.

If you have not yet done so, please visit the [CheonBo website](#) and create an account. You can do this by clicking the 'Join' button on the top right hand corner, and clicking on the 'CheonBo Candidate' option. Once you've created an account, you will need to upload the following 3 forms and get an approval from a pastor.

1. Certificate of Completion of the Tribal Blessing of 430 Couples

Once you have reported your complete name list to TribeNet at the following link, [Report your Blessings](#), you will receive a certificate of completion from the TribeNet team.

- a. Completed name lists must follow the US standards. If you are unsure whether your namelist follows US standards, you can read through the standards on TribeNet tribenet.co/blessing-standards/ and contact your local HTM Coordinator tribenet.co/coordinator/.
- b. Note, the certificates of completion needed to upload on the CheonBo website are not the same as Accomplisher certificates.

2. Certificate of Completion of Ancestor Blessings

These certificates can be obtained through the HJ CheonBo website. en.hjcbt.org/

- a. For a step by step process on how to receive your Ancestor Blessing certificate, please follow the instructions on the following link. sr5tribe.us/getAncestorCert.html

If you have completed liberating your ancestors, but have not completed blessing ancestors, you can contact the HJ CheonBo office to receive a record of Ancestor Liberations form. You can upload this instead of the certificate with the understanding that your couple plans on completing blessing all the ancestors before a set date. (That due date will be set and announced at a later date).

- a. You can find the contact info for HJ Cheonbo at the bottom of their website en.hjcbt.org/

3. Certificate of Completion of Blessing Donations

As you know, there is a \$20 donation per couple blessed in your tribe.

You can make your donations in the following link [Blessing Donation Submission](#), which you can also access through TribeNet. Upon logging into your TribeNet account, you will see a link on the right hand side bar for Blessing Donations that you can click on.

Blessing Donations will be waived for those couples who were registered in a blessing officiated directly by True Parents, and for the 160 couples blessed during the 1997 blessing campaign. Please contact your local HTM Coordinator to confirm your full Blessing donation amount.

Donations can be accepted in installments.

Once the Blessing donations are received, you will be issued a certificate of completion for the amount received. This certificate must then be uploaded onto the CheonBo website.

- a. Multiple certificates can be uploaded if you are planning on sending donations in installments

If you cannot make the full Blessing donation by Aug 6, you can fill out and upload an Agreement of Offering Blessing Donations for the amount you are unable to send.

- a. Agreements can be found in the 'Materials' section of the [CheonBo website](#). You will need to be logged in to access this section.
- b. The final date to send the full donation in this case is Foundation Day 2021

4. Approval from Pastor

To receive a pastor's approval, couples must receive a life of faith interview from the pastor.

Instructions on how to schedule and receive an interview will be given to those who have completed their vertical and horizontal 430.

If you are unsure about your status and whether you should receive an interview, please contact your local HTM Coordinator.

The deadline to upload all the forms to the CheonBo website is August 6. The deadline to receive an approval from your pastor is August 10. We understand that this is a lot of information and navigating the new website can seem daunting. Therefore, we will be having an info session this coming Tuesday during the office hours after the Tribe Call where we will go through the application process step by step.

Again, thank you all for your commitment to God and True Parents, and we hope to see you all at the next Tribe Call and office hours.

God Bless you, your families, and your tribes,

The TribeNet Team
