Demian Dunkley  
August 6, 2020

Dear Participants in the Rally of Hope,

Thank you for joining the Rally of Hope with True Mother as one of the interactive live participants. We thank you for your time and support of this event.

We've had 2 rehearsals so far, and noticed that some still had difficulties in joining. Thank you for your patience and perseverance. We ask that you join the next rehearsals in preparation for Saturday. And we want to help everyone log in successfully.

The next rehearsal is today , August 6, 9 pm EST.

There will also be a rehearsal on August 7 at 9 pm EST, and then the main show on Saturday, August 8, at 9 pm EST, with a pre-program at 8:30 pm EST.

We would like to ask each of you to join the next two rehearsals, so we can all be prepared for the live event on Saturday.

We also ask that you join the rehearsals 30 minutes before the time, by 8:30 pm EST, to make sure everything is set correctly.

Below and attached are the instructions that were given. If you had trouble logging in, please try again and please follow these instructions closely.

In addition, today , August 6, at 5 pm EST, we will have our weekly Family Federation State Leaders call. We invite all of you to join this call, so we can go over details and help everyone log in and be ready for the rehearsal. This meeting will be at this zoom link: [zoom.us/j/681336379](https://zoom.us/j/681336379)

We look forward to seeing you at 5 pm EST, so we can prepare for the rehearsal together, and we ask that everyone joins the next 2 rehearsals, tomorrow, August 6, and on Friday at 9 pm EST.

Thank you all again for your time and participation.

God Bless you,

Tal Zorer

Dear Participants,

The detailed guidelines are attached.

The 'Additional Guidelines' is an elaborate guide on how to download and join the rehearsal sessions for

the Rally of Hope.

Here is the summary:

Please download the Breakout Program at: [sites.google.com/ffwpu.org/202008/](https://sites.google.com/ffwpu.org/202008/)

Please download the 'Video Conference PGM Agent for PC'

Please note:

1. The software vendor recommends using a wired desktop computer instead of a laptop computer connected via wifi.
2. Please prepare earphones with a microphone to reduce howling
3. The software is not compatible with Apple computers - you need a PC to participate.

Once the program is installed, it does not automatically open any windows. Please open your Internet browser and visit:

[www.breakout.cloud/](http://www.breakout.cloud/)

Click Join → Install Breakout program → Join the two-way conference

You'll be asked for a session number:

If you are an individual or a couple, please use: 767701736 (for most of you, this is the number to use as session number)

If you're gathering as a church, please use: 389832112

When asked to create a username, please use this formula: USA[first letter of your first name][last name], for example: USATZorer, or CanadaTZorer

You will need to click join at first, and then open the breakout agent you installed, then click join again.

Please download and log in before the rehearsal, so the rehearsal can proceed smoothly.

The 2nd attachment is general guidelines 'Two Way Guidelines' with suggested positioning of the camera, etc.

We will be available to answer questions in preparation for the rehearsal on August 6, at 5 pm EST at [zoom.us/j/681336379](https://zoom.us/j/681336379), and please feel free to email me at [tzorer@unification.org](mailto:tzorer@unification.org) and Rev. Inguk Seo at [iseo@unification.org](mailto:iseo@unification.org) with any questions.

Thank you, and God Bless,
