# Beyond Everything

## Happy Blessing Anniversary 30,000 and 360,000 Couples!

August 25 marked the anniversary of hundreds of thousands of couples worldwide who participated in the 1992 and 1995 International Holy Marriage Blessing Ceremonies at the Seoul Olympic Stadium in South Korea. It's the 28th anniversary of the 30,000 Couples Blessing, and the 25th anniversary of the 360,000 Couples Blessing where global leaders, including presidents, took part in the historic ceremony.

In 1992, two sisters from the Philippines, Rhia and Marina Clemente, were among those gathered in the crowded outdoor stadium eager to receive the Blessing with their partners from officiators Rev. Dr. Sun Myung Moon and his wife Dr. Hak Ja Han Moon, co-founders of the Unification movement and affectionately known as True Parents.

"I remember telling God I would accept anyone; my heart was so open," said Rhia. "It was incredible to participate in the Blessing with my sister, and looking back, the Blessing was really the biggest blessing I could receive in my life."

## Special Donation for the Eighth Anniversary of the Universal Seonghwa of Sun Myung Moon, the True Parents of Heaven, Earth and Humankind

This year marks the 8th year since True Father's Seonghwa. On September 4, at 10am in Kora (September 3, 9pm EST) we will celebrate True Father's life with True Mother and our entire Unification Family in a special virtual event to mark the 8h Anniversary of True Father's Holy Ascension.

Our True Father, Rev. Sun Myung Moon, committed his life to comfort and liberate the heart of God, our Heavenly Parent. To create a peaceful world, without divisions. To build one family centered on God. To champion God-centered marriages and God-centered families. Now, our True Mother is carrying this mantle and fulfilling the role of the True Parents on earth with True Father in Heaven.

We honor our True Father's life by embodying the principles he shared, sharing these principles with others, and making sure that his legacy lives on.
