

UPF invitation to all to: International Leadership Webinar for the Americas

Demian Dunkley
September 9, 2020

Dear Family,

This weekend we have an exciting opportunity to join the Universal Peace Federation's International Leadership Conference. Usually, only a select few get to travel to Korea and experience these deliberations and discussions by world leaders. But thanks to our special circumstances, we're going online, and this time, everyone is invited! From Friday, September 11, through part of Sunday, September 13, UPF is hosting a series of webinars. Leaders in every sector from North, Central, South America and the Caribbean will gather online to build bridges of peace.

Be part of the discussion around some of the most compelling topics of our time. Don't worry, you don't have to sign up for every single session, but there is something there for everyone! The role of media in today's social climate, international business opportunities, interfaith relations, the necessity of women's leadership in perilous times, and much more. Oh, and it's all free. Choose a couple session from the menu here: www.upf.org/ilc2020-americas

Did I mention that this is a great opportunity to invite your guests? You know, those friends to whom you've been trying to explain what we do to build peace around the world! See the attached [invitation letter](#) and the [complete schedule](#) of speakers. Spread the news, we hope to see you there.

God Bless you,

UNIVERSAL PEACE FEDERATION

September 8, 2020

Dear Families of North America,

The Rally of Hope and the World Summit have created a profound breakthrough to bring hope to all the world for peace. The Mother Of Peace, Dr. Hak Ja Han Moon has encouraged the key leaders in all fields to come together as one in a Global Webinar for Peace. Registration is now open. Choose the session you feel inspired to support by registering today ! This will give you a most unique opportunity to invite people to the highest level forums specific to their interest. We are grateful for Rev. Dunkey's proactive leadership to encourage all families to bring their special guests.

You are invited by the Universal Peace Federation to its first **Virtual International Leadership Conference (ILC) on September 11-13, 2020**, dedicated to the theme, *"Opportunity and Hope at a Time of Global Crisis: Interdependence, Mutual Prosperity and Universal Values."* ***Please choose the session(s) of your interest. Whatever your interest – you will find it in one of our sessions, Political, Religious, Women Leadership, Business, Academic and Media.***

This ILC will feature important and compelling speakers in sessions that highlight work of seven UPF association spheres:
