Greetings brothers and sisters,

The Blue Dragon Tour begins this weekend in Washington DC led by our President Demian Dunkley. Next weekend the tour will be in Los Angeles March 15-16-17, and then in the Bay Area Family Church on March 22-23-24. I hope that all of our members can attend this Tour and participate in the Great Works on Saturday afternoon. Please register ASAP.

True Mother has encouraged that we hold prayer vigils in the evening to bring the spirit of God to work with us and help to bring a breakthrough in our witnessing efforts. Please make your best effort to participate and receive the blessings which go with this opportunity.

At the conclusion of the first sprint period of the Blue Dragon Tour we will hold a Pilgrimage to Korea for Young Adults and Clergy. The tour starts on April 18th to April 27th. We invite all of our young people to participate and to sign up ASA here

Our UPA missionaries have arrived in our Region and will be introduced at church services in LA and BAFC this weekend.

Blessings,

Kevin and Masako Thompson
