Special Grace Extended Through May 22

We have received special permission from True Mother and IHQ to extend the period of Special Grace until May 22, 2025. This is a precious opportunity for any families who, due to unavoidable circumstances, were unable to receive this grace earlier.

Communities may continue to offer Special Grace Holy Wine Ceremonies until May 22. All requirements, the donation, and the process remain the same. The only change after the Blessing Ceremony is that the Special Grace Ceremony should now be concluded by watching the recording of True Parents' Blessing Prayer from the 2025 Hyojeong Cosmic Blessing Ceremony. **Please contact your local pastor for details about Holy Wine Ceremonies.**
