**The Value of True Parents in Heaven's Providence** is a new, limited-edition theological text that builds upon and expands the foundations laid by *Exposition of the Divine Principle*, the Family Federation's primary scripture since 1966. While earlier teachings focused largely on God's providence up to the appearance of True Parents in 1960—centered on male figures such as Jesus and Sun Myung Moon—this book introduces a more balanced and inclusive perspective.

Compiled under the guidance of Holy Mother Han, Dr. Hak Ja Han, and authored by theologians from Sun Moon University and Sunhak UP Graduate University, this volume offers a fuller expression of Unificationist theology. Drawing extensively from True Mother's teachings since the passing of True Father in 2012, it reexamines the course of providence with an emphasis on the feminine aspect of the divine and the role of the Only Begotten Daughter.

The book's seven chapters, presented as individual essays, explore the unity between our Heavenly Parent and True Parents, calling readers to deeper reflection, repentance, and spiritual rebirth. Key theological developments include the introduction of gender-neutral pronouns for God—acknowledging both Heavenly Father and Heavenly Mother—and a clear articulation of the significance of True Mother's mission in the context of God's original ideal.

Central to the narrative is the belief that humanity's role is to realize God's dream: to live in oneness with our Heavenly Parent through perfected True Parents and establish the kingdom of heaven on earth and in eternity. The text traces the providential history from the Fall, through Jesus' mission and the long preparation for the birth of the Only Begotten Daughter, culminating in the Holy Wedding of True Parents.

Following Father Moon's ascension, True Mother has led the global providence, facing immense challenges while guiding the establishment of Cheon Il Guk. This book is both a theological milestone and a guide for those seeking to understand the current direction of the Family Federation and the ongoing mission of True Mother.
