Dear Brothers and Sisters,

As you know, Friday, July 10, was the final hearing in True Mother’s trial, with the verdict expected on August 31, 2026. During this critical time let us harness the power of collective prayer and action to unite our hearts with Heaven, and offer something through which God can work to lessen True Mother’s burden. I invite all of you to participate in a 40-day period of devotion from July 22 through August 30, completing 40 days leading into August 31.

Let us pray together in Cheon Shim Won, in our homes, and with our families. Let us read True Mother’s words or her memoir, participate in a chain fast, and take personal action to share her life, heart, and message with others. Each person and family can decide what offering they will make, and I hope that all will participate with sincerity.

True Parents have carried the burden of Heaven and humanity through their entire lives. From the spirit world, True Father continues to work together with True Mother for the completion of Heaven’s providence. During these 40 days, let us unite with

both True Father and True Mother and, with one heart, offer our sincere devotion for the victory of Heavenly Parent’s dream.

The Journey of the Commandments—Hyo and Jeong: Vertical and Horizontal Love

Last week, we reflected together on how the great religions and philosophies of both East and West, which have shaped humanity’s spiritual history, came together in an

extraordinary convergence on the geopolitical stage of the Korean Peninsula. We also considered why we are called to study this final great epic of history. Having laid this foundation for deeper understanding, we now arrive at a more fundamental question: What, specifically, are we meant to learn from this great epic of the chosen people? Today, drawing on insights from the history of religion and the perspective of Heaven’s providence, I would like to explore the profound relationship between the attributes of Heavenly Parent that have flowed continuously through the culture of the Korean Peninsula and the deepest essence of the original human heart.

Re.: Worldwide Blessed Families 40-Day Period of Special Devotions for Holy Mother Han

May the blessings and love of Heavenly Parent and True Parents always be with you.

"Let us attend Heaven. Let all nations that attend Heaven fulfill Heavenly Parent's dream—the kingdom of heaven on earth—as sibling nations;" "Heaven will surely realize that dream here on earth."

We would like to ask the blessed families and members, with this faith and vision once again inscribed in their hearts, to offer a special 40-day period of special devotions.

We pray that this can be a precious time for communities of members in each nation to unite in heart in offering their sincere prayers and devotions, so that Heaven's providence may be established ever more firmly, that the dream of one peaceful family of humankind may be fully achieved, and that these blessings may be passed on to our children and to future generations.
