

This Is a Big Year for Giving - Plan Your Family's Giving This Year

This is a big year for giving. With 2020 less than a year away, it's a busy time in the providence with the focus on national restoration. It's a big goal requiring everyone's help, from outreach, to service, to giving. To help you be successful in making your offering this year, here's a tool to plan out your giving. Through giving, we can both inherit True Parents' tradition and substantially support the providence in America.

We encourage everyone to help host and donate to the Subregional rallies that will be taking place throughout the year. We hope everyone can contribute to make these rallies a great success.

The National Ministry Team has put together a budget planning worksheet to make financial planning easier for you.

PLAN YOUR FAMILY'S GIVING THIS YEAR

"EACH OF YOU SHOULD GIVE WHAT YOU HAVE DECIDED IN YOUR HEART TO GIVE, NOT RELUCTANTLY OR UNDER COMPULSION, FOR GOD LOVES A CHEERFUL GIVER." - 2 CORINTHIANS 9:7 (NIV)

1. HOW MUCH WOULD YOU LIKE TO GIVE THIS YEAR?

Relationships start with giving (give and receive action). By giving to God, we create space for God to work in our life. By giving, we also receive. Plenty of successful people practice the habit of giving because it elevates our spirit, mind, and heart. Giving 10% is a tradition (did you know 'tithe' literally means tenth?). The more we give, the more we will receive.

10% of my Income: \$ _____

I commit to giving ____% of my Income: \$ _____
