We would like to invite you all to join a special conference call tonight (March 21) at 6 p.m. EST - about calling teams to support the LA Peace Starts With Me Blessing.

Our LA family is working hard at mobilizing and visiting churches to welcome True Mother on April 6. But they need our help with calling in Subregion 5 and around the nation to raise funds for this event and to encourage our members to attend as well.

On our conversation of the giving team with Rev. Krishnek, we thought to engage our district and local pastors, ministry leaders, activists, CARP members, and others who may be interested to come together to support the efforts in LA by volunteering some time to make calls for this purpose. So we want to start together with some guidance from Teresa, who will also share further tips, call scripts, lists, etc.

We know that what we set up now can then be multiplied to support such efforts in the other subregions.

So please join us this evening for this short call.
