

Information re. Ancestors Liberation and Blessing Event - Las Vegas, June 23-24

Demian Dunkley
June 14, 2019

Dear Pastors, Community Leaders, Brothers and Sisters,

In just one week, we will celebrate the Unity Festival weekend with True Mother in Las Vegas. If you haven't yet registered for the main event, there is still time to join and be a part of a wonderful Peace Starts With Me Unity Rally at the MGM Grand, on Saturday, June 22, at 2pm. [Register Now!](#)

On Sunday, June 23, after a Victory Celebration with True Mother at 9am in IPEC, we will hold the [HyoJeong CheongBo special event](#) to liberate and Bless our ancestors.

In the past few weeks, several questions regarding the Hyojeong CheongBo event in Las Vegas have come up repeatedly. Rev. Mark Hernandez has prepared some clarifications according to the guidance of the HJ CheongBo staff.

1. When CheongBo events come to America or any other nation, the person registering (applying) for the Ancestors Liberation and/or Blessing must be present at the liberation and/or Blessing ceremony in person.

That means that no other member, friend, or church leader can take the form of another person and represent them, no matter what the circumstance.

2. The only exceptions to this rule are based on blood line and within the confines of a Blessed family/lineage:

A. Half-siblings/siblings/cousins can represent the lineage they share, but only the shared bloodline(s).

B. A Blessed spouse can represent one's spouse.

C. A Blessed child 18 years and older can represent one or both of his/her parents.

D. A Blessed son-in-law or Blessed daughter-in-law. For example: Your son's Blessed wife registers online to attend and brings the paperwork to represent either or both her parents-in-law and could simultaneously represent her parents. In the "representative name" section she would write her name that links her to that lineage.

3. Those who apply for the Ancestors Liberation and/or Blessing, but cannot attend the event at IPEC, cannot just send in the paperwork to the CheongBo IPEC event. Their forms must be sent to Hyojeong CheongBo Training Center in Korea. If at least one member of the Blessed family, who is over 18, can be present at the event in Las Vegas, they can represent the family blood lines, and paperwork can be processed in IPEC.

4. Those who participate at the HJ CheonBo event at IPEC do not need to add workshop fees or check fees on their payments.

5. However, online registration is mandatory for each person in attendance. The \$25 per attendee over 18 years of age is a 'registration fee' not a 'CheongBo workshop fee'. If a person brings both their own and their spouse's registration forms, they still only pay \$25. If both spouses are physically attending, they should pay \$50 online. The online registration is crucial for the staff to be prepared for the right number of participants, for seating and lunch on Sunday and Monday. If you are not registered by June 20, you will always be welcome to participate as seating and space allows, but there may not be meals available to you. Please register your participation [here NOW!](#)

6. HJ CheongBo team is hoping that American members can clean-up all their back payments, so that the liberation and Blessing of their ancestors can proceed. They do not accept partial payments at this time.

7. Please note that forms that arrive only on Sunday, June 23, are not guaranteed to be processed in time for the Ancestors Liberation and/or Blessing on the 2nd day of the event, on June 24. Therefore, please make every effort to send in your forms ahead of time, and also make use of the early registration available on Saturday, June 22, from 6:30 p.m. after the Unity Rally with True Mother.

2) What if I completed liberation and blessing until 210 generations?

Liberation

- Liberation until 430 generations is divided into two phases.
- Phase 1: Liberation until 378 generations from December 2018.
- Phase 2: Liberation until 430 generations from May 2019.

Period	Ancestor Liberation	Ancestor Blessing
July - November 2018	1 - 329 Generations	1 - 322 Generations
December 2018 - April 2019	1 - 378 Generations	1 - 329 Generations
May - September 2019	1 - 430 Generations	1 - 378 Generations
October 2019 - 2020 Foundation	1 - 430 Generations	1 - 430 Generations

- Phase 1 will begin in December 2018.
- In December 2018, a new set of ancestors, 323-329 generations will be ready to be blessed.
- Members who will be applying for ancestor blessing in December, will automatically have liberated ancestors until 378 generations.
- Liberation until 378G is only automatic when members apply for ancestor blessing from 204G onwards.
- If members do not have ancestors to bless in December onwards, members would have to apply for the liberation. However, only **one time** workshop fee of \$25 is needed. There is no liberation fee.
- Same goes for Phase 2 in May 2019 which the liberation will be until 430 generations.

Blessing

- Blessing will only be possible after 100 days has ended, beginning from May 2019 for the liberation for Phase 1.
- It is not necessary for members to bless all ancestors in one workshop but members can apply for the Ancestor Blessing Ceremony depending on each member's situation (E.g. blessing a few sets of ancestors each month).
- Donation for blessing for each set is *\$25 workshop fee + blessing fee* (depending on your country group standard). For example if a member from USA (Group 1 rate) would like to bless 5 sets of 7 generations under one workshop then the fee will be $(\$25 + \$70) \times 5 = \$475$.
- Blessing of Phase 2 (379-430 generations) will be possible from October 2019 until 2020 Foundation Day.

Extra Information

- It is not necessary to do liberation in December 2018 (but recommended). Members can apply for liberation of Phase 1 and 2 in any of our 2 days weekend workshop.
- But because this special grace is until 2020 Foundation Day, in order for ancestors to be ready for the last ABC by 2020 Foundation Day liberation **MUST** be applied for in October 2019.
- It is important for members to take note of when the ancestors' 100 days workshop ends.
