Demian Dunkley

True Mother is Coming! National Headquarters is looking for volunteers to help with ministry outreach for the December 28th "Peace Starts with Me" event. Join us in making this great offering.

Job Title: Volunteer

Job Location: NYC and New Jersey

Job Type: Volunteer

Job Description:

In a few short weeks, our True Mother will return home to America to offer her special message of hope and peace at the Prudential Center!

In the New York and New Jersey area, our pastors, family members, and close ministers are working tirelessly to reach out to Christian churches, social and ethnic groups, and to the wider public. We invite you to be a part of this great endeavor and join the excitement!

If you're local, there is a need for people who have vehicles and can drive, who can help the local teams with outreach efforts. Even if you're working on weekdays, please consider registering for weekends. There is always greater need on Sundays!

If you live farther away, please consider coming to the New York area to help with the mobilization efforts.

We are looking for about 15 to 20 people, who can come as soon as possible and stay until December 28th. But if you're available only part of that time we ask for a one-week minimum commitment.

There are several ways that volunteers can help:

- (a) Join local teams to witness, visit churches, and spread the word, under the guidance of the local pastors. You'll stay at the centers or with families in New York City boroughs and New Jersey.
- (b) Drive vehicles (owned or rented) to help the local community mobilization teams.

If you'd like to volunteer, please fill out the form below. Tell us when you're coming, and we'll contact you with the information you need.

Looking forward to seeing you in New York!

If you are interested in joining the Mobilization Team please fill out this [form](#).
