Hi,

One of the Sanctuary Church leaders who is the Sanctuary Church leader of Texas B. E. is harassing people on the website I sometimes go on named WIFL.

He is very crude, very vulgar and does not represent Hyung Jin Nim very well since he is the Sanctuary Church leader of Texas.

He also goes by the fake name Bill Parks on this site, yet everyone knows he is B. E. the Sanctuary Church Texas leader.

Here is his profile: <http://www.tparents.org/Moon-Talks/HyungJinMoon-13/HyungJinMoon-150714a.pdf>

Please tell Mr. E. to stop using foul, vulgar language on the WIFL website or better yet discipline him from his position in Texas since he is not doing Hyung Jin Nim any good with his foul mouth.

Thank you  
J. L.

Hi,

Thanks for contacting us. I would like to explain why we will not do what you are asking us to do.

The policy of Sanctuary Church is that issues such as this should be resolved at the local level by local members. It is not the job of the Second King or headquarters staff to go around dictating solutions to every alleged problem.

We believe in applying the free market principle. You or someone else can apply to be anointed by the Second King as a Sanctuary Leader for Texas in competition with B. E. Then, people in Texas can decide for themselves which person they would rather work with.

Tim
