Some of our members are involved in this project and would like to pass on this opportunity:

### Star Dancers of 'Dancing Joy' to grace Film Fundraiser for Cookstove Project

A star-filled evening is promised for September 25! Not only will attendees experience an outdoor screening of the new award-winning film, *Dancing Joy*, but internationally renowned artists will perform live, including Minbuza, (Japanese Folk Dance Institute of New York) and Lynn Academy of Irish Dance, and more. This 'Red Carpet' event will also have the producer and director and cinematography team of *Dancing Joy* in attendance.

The event is raising funds for The Cookstove Project to build clean cookstoves in Uganda and Nepal.

In order to protect from COVID, donors can choose between a socially-distanced outdoor screening under the stars, or a virtual screening in their own homes.

The outdoor event begins at 6 p.m. on Friday, Sept. 25th, at Law Park in Briarcliff Manor, NY, with each family-sized, socially-distanced space reserved with each \$50 donation--which provides five families with a life-changing clean cookstove.

Virtual screening is anywhere in the country, and you determine the dates.

Several local philanthropists and helping organizations are lending their support to the project: Briarcliff Manor Rotary, Rotary Clubs across the country, John Gallagher and family and

Joe Guilderson, Corporate Audio Visual Services and others. In addition to the presentations, attendees can participate in the silent auction and bring or purchase food items to enjoy through the evening.

## DANCING JOY-UNDER THE STARS! OUTDOOR MOVIE

---

Join us for an unforgettable outdoor screening of new film  
**Dancing Joy**

***Dancing Joy*** is a film that celebrates the innate beauty in every culture and people. The music is **Beethoven's Ninth Symphony**, combining Friedrich Schiller's "Ode to Joy" with both instrumental and choral music--a symphonic triumph. To this, dancers of 21 cultures perform original choreography, drawing on their traditional movement and their own inspiration. Traveling 56,000 miles to film the dancers in stunning natural and historical venues, the filmmakers crafted a message of human value and brotherhood through the universal languages of music, dance and beauty. The producer and some performers will be on site that evening.

**The Cookstove Project** builds clean, efficient cookstoves in rural Uganda and Nepal using local materials and training local cookstove masters. Open cookfires in the home kill 4 million people yearly; inhaled smoke equal to 40 cigarettes a day damages lungs, heart,

brain and other tissues. Through the sustainable, ownership-based approach of the Cookstove Project, clean cookstoves transform lives and preserve the environment.

**The Event:** The pre-show starts at 6 PM, with live music, live dance performances, silent auction, raffles and inspirational stories about the Cookstove Project. The movie starts at 7:30 PM. Bring your blanket or chairs, and coolers. Light snacks and drinks will be available for purchase.

## Friday, Sept. 25, 2020 6 PM at Law Park Briarcliff Manor

Families welcome! Reserved, pre-set socially-distanced blanket-size spaces on the great lawn are available for \$50 each.

Can't attend? We'll bring the film to you! We'd love you to enjoy this outdoor event, but if you instead prefer to have a special private link to stream the film to your own smart TV or other device, select Online Screening ticket option during checkout.

## About this Event

You are invited to enjoy a beautiful outdoor film event sponsored by [The Cookstove Project](#)! A special showing of the new film Dancing Joy will be prefaced by live dance performances, a silent auction, and inspiring presentations of the Cookstove Project's work building clean cookstoves in rural Uganda and Nepal. Each pre-set blanket space (socially distanced) is available for a \$50 donation to The Cookstove Project. The date is Friday, Sept. 25, at Briarcliff Manor's Law Park, with the live events beginning at 6 PM and the film showing at 7:30.

Dancing Joy is a full-length film of world dance to Beethoven's 9th Symphony--a visual and musical journey that depicts our world's beauty and diversity as never before. The filmmakers traveled 56,000 miles to film the authentic dance of 21 cultures in gorgeous natural and historical venues around the world. Be transported--through the most inspiring music and movement--and re-awaken that sense of wonder in our world and its peoples.
