Belvedere Family Church: June 5th Watch Party at Belvedere

Dear Beloved Brothers and Sisters!

As you know the June 5th Peace and Blessing event is only a few weeks away. As a community, we wanted to make this an opportunity to come together and celebrate the Blessing together with our friends, family, and ACLC contacts.

In addition to the main program, we will also be providing a light dinner, time for fellowship, and praise and worship.

You may also already know that New York State has officially lifted many restrictions for vaccinated people, so let's get excited for this chance to gather once again in person after a long time of social isolation that we have all endured. Of course, use your own judgment and be safe if you are at risk.

The program will start at 5pm and last until a little after 7pm. Please register below if you are planning to attend so that we can prepare the proper amount of food.

In addition, if you haven't already done so, register for the official event at peacestartswithme.org

You can use the attached flyer as well to invite others.

See you then!
