Hyung Jin's False Claims of Succession - Kook Jin false - Sanctuary Church false

"The responsible person of Unification Church is not Hyung Jin nor Kook Jin. On the top of Hyung Jin there is Mother.. Do not forget this." (True Father 2011)

"God commands.. through True Parents, not directly from God to TC. All children and the rest of the world must follow in the way of True Parents. There is no other way." True Father

Since 1991, Father said, he is preparing True Mother as his successor. He made it very clear, "Mother.. alone, represents True Parents" (True Father, 3-27-1990).

"This is Mother's age. Father is even preparing to put Mother in Father's place." True Father -- Hawaii

Hyung Jin himself said, he was educated by Father for 8 hours that after his passing Mother will be 'top decision maker'... so there should be no confusion about succession:

"My father.. as long as he is here, he is the top decision maker, if he is not here, then my mother is the top decision maker. Because of my mother's presence, there is no confusion regarding

succession in Unificationism." HgJN 2008

Not only that, in a [video recording](#) Hyung Jin admits Father specifically asked him to proclaim that he will never put himself a center and disregard True Parents, no matter if they make mistake or hurt him.

"If I deny True Parents.. proclaim myself a new center, you must not follow. Father particularly asked to be clear on this." [Watch the Video>>>](#)

The representative and inheritor of True Parents, has to be united and follow Father and Mother. When Hyung Jin was united -- he represented! When he turned against True Parents, he became heretic and destroyer... or we should say [TRAITOR, HERETIC AND DESTROYER -- Hyung Jin](#).

True Father repeated numerous times, that Laws are universal. But H2 think he can reverse all laws and go against True Father in everything, [calling in his videos True Father's tradition 'satanic'](#). Look in the Bible; Saul was anointed by God as a King, but he failed. Solomon was anointed as a King. He failed too! Read [Parallels between Hyung Jin and Solomon](#)

FATHER'S REQUEST WAS FOREVER:

"If HJN.. any of TC... If any 3rd gen., any Moon future descendant, or relative to True Parents, denies True Parents -- do not follow them.

If we claim that we are the new center, you must not follow us. That has to be very clear." [Watch the Video>>>](#)

The Coronation of HJN as True Parents heir, was to be their representative, not reverse dominion over them. True Father was clear about this, he even asked HJN to proclaim it:

"The True Children exist because of True Parents.. And even when is tough, even when we can't understand it, even when we feel hurt by them.. " [Watch the Video>>>](#)

After True Mother the successor will be the one most sacrificial and loyal to True Parents:

"My successor among my sons and daughters.. the one who sacrifices himself the most for the sake of God's will, the one who best exemplifies the principles of loyalty and filial piety." True Father

The successor after True Mother should be unanimously accepted:

"That successor.. all the Unification Church, all the blessed couples and the True Parents' family.. must all unanimously accept him." True Father, God's Will

WHY WAS THIS SO IMPORTANT FOR FATHER

Now we see why. There are so many evil spirits that can influence our life, all around us. Mother showed with her life that she can stand unshakable. No one says it was easy and there were no attacks. But TC are just children that need to grow. They still have time to prove their loyalty, faith and spiritual stability. They never proved, they can stand these tricky spiritual forces. So after the protection of True Father, as a subject, is no more here, they are vulnerable.

To fulfill his [responsibility 'to become heir'](#), Hyung Jin has to show FILIAL PIETY to Mother.. and [overcome Lucifer's rebellious nature](#). WE PRAY, HE WILL

Spiritual study showed, that if one's conscience is strong about what is wrong, evil spirits cannot make him do it. Of course, unless they trick the person in some way. But as we see, SC ARE EASILY TRICKED BY ANYTHING.

Examples are plenty! H2 says he protects CSG, yet Hyung Jin denies CSG1: Read [57 quotes about True Mother in CSG](#). He compares himself to Moses, for staying 40 yrs in True Parents's palace, comparing it with the Satan's place. ([Read details](#)). Then he escaped, so he should now has to lead us out, back to Satan's Realm. No matter how strange, unprincipled, irrational and stupid that comparison is, Sanctuary Church clique does not object. They can't think normally!

So how do you expect their conscience to be strong to hold against evil spirit manipulations. Impossible! in that state of ignorance they are easy prey. Spirits can play with them freely. And I see that when I talk to them. It's like talking to spirits.

Each video of Hyung Jin I see, I find so many [examples of his ignorance of the Principle](#). Why was he not educated well? Wasn't that our responsibility, of the members? We can see even with his older brothers, who were much better educated, they were all vulnerable and had problems at some times. When you see how much evil spirit world is around you'll know why.

That's why H2's talk about succession is so ignorant -- sounding like fairy-tale, out of the reality of how spiritual growth works and how restoration goes. For example; if perfecting a wife takes a lifetime, how can H2's wife be perfected in a day? I see [Yeona's Gossiping videos](#), and I'm stumped, "Is that 'perfection'?" So she must be the perfect QUEEN OF GOSSIPING. Great!

FATHER'S WORDS ABOUT SUCCESSION:

Here is a nice compilation of Father's words about Succession, compiled by [Dr. Tyler Owen Hendricks](#)

"Fundamentally I am the first founder of the church and Mother is the second founder." True Father 3-27-1990

"My successor among my sons and daughters.. the one who sacrifices himself the most for the sake of God's will, the one who best exemplifies the principles of loyalty and filial piety."

True Father 2011, "The responsible person of Unification Church is not Hyung Jin nor Kook Jin. On the top of Hyung Jin there is Mother.. Do not forget this."

Let's not forget, we love all TC... how much more True Parents love them and expect them to grow. I believe they are sincere, just need time to grow and learn
