

10 quotes about Only Begotten Daughter in the Original Cheon Seong Gyeong

Julian Marianov

June 29, 2018

In the Original Cheon Seong Gyeong, Father uses "Only Begotten Daughter" 10 times only in the first 1000 pages. Surely there are more. These 10 quotes clearly point that True Mother is the Only Begotten Daughter (See some of them below). The term "Only Begotten Daughter" appears over 180 times in Father's words.

There has to be an only begotten daughter

Only in this one he mentions it four times:

"When the only begotten son comes, it would be a disaster if he were to live alone. There has to be an **only begotten daughter**. The only begotten daughter must be found and, centering on God, the only begotten son and daughter should marry each other when their mutual attraction matures. This way, God should rejoice as the vertical parent and

the only begotten son and daughter must become the bride and bridegroom who can rejoice as the horizontal parents and give birth to children on earth. Only then will the tribe begin to expand" CSG (Chapter 1 • What Is a True Parent? 181)

Father also explains, "It is an original requirement that True Mother must be an only Daughter. Adam was the original only Son; Jesus was the only Son. The Lord at the Second Advent is also the only Son from the perspective of God's Will. Since the man through whom God accomplishes the Will is His only Son, the woman must be His only Daughter." (223-241, 1991/11/10)

Start of God's Hometown is where Only Begotten Daughter dwells

This is the 5th quote from the Original CSG, talking of the 'Only-Begotten Daughter':

"What kind of place can become the starting point of the original hometown where God's family can be created? It is none other than a place where a son dwells who understands God as his real father. In other words, it is a place where the son, the **only-begotten son** who can monopolize God's love, exists. Also it is a place where such a **daughter** dwells. It is a place where such a son and a daughter marry and form a complete family." CSG p.448

Only Begotten Daughter is needed because **Heaven is entered by families**

6th quote about Only-Begotten Daughter in the Original CSG:

"Were it not for the Fall, heaven would have been a place to which God's **only begotten son and daughter** would have gone after creating His family and living in His love. Heaven is to be entered by families, not individuals. As Jesus did not form his family, he did not enter heaven and is in the waiting

room, namely paradise, a place for preparing to enter heaven." CSG

7th quote about Only-Begotten Daughter in the Original CSG:

"In that regard, heaven is vacant. We thus realize that God's providence for restoration has been a sorrowful history. .. in losing Adam, God lost His kingdom centered on the kingship of heaven. He lost the heavenly race and tribe, and the heavenly man and woman – His **only begotten son and daughter.**"

Unable to find Only Begotten Daughter, Jesus was unable to enter Heaven

There was 8th quote about Jesus as **Only Begotten son** in misery without **wife**. But the 9th quote is a bit repetitious (there are many such quotes in the first CSG, that's why it needed to be revised):

"If it wasn't for the Fall, heaven would have been the place where God's **only begotten** sons and **daughters** would have gone to after creating a family of God and living in His love. Heaven can only be entered as a family. You cannot enter heaven by yourself. Since Jesus did not form a family, he was unable to enter heaven and is waiting in paradise, which is the waiting room for heaven." CSG p. 888

The 10th quote about "Only Begotten Daughter" is again repetition:

"He lost the people of heaven, tribes of heaven, and heavenly man and woman – His **only begotten son and daughter.**" p. 889

We are Only Begotten Children, after forming blood relationship with True Parents

Here is a quote about ONLY-BEGOTTEN CHILDREN. Speaks not about the True Children, but about the people who will follow the True Parents:

"The historic desire of the ancestors is for tribal messiahs to appear on earth and connect with the will of the True Parents who come in the Last Days. This is the longstanding wish that has been harbored by the ancestors in the spirit world until the present time. Their greatest wish is to form a blood relationship with the True Parents as their begotten children." p. 1408

So after having ONLY-BEGOTTEN SON AND DAUGHTER, its time to save OTHER BEGOTTEN CHILDREN (After the 1st, many more are begotten in God's lineage):

"All already married couples must be saved, as well as all who have gone the wrong way through unfulfilled love relationships. After that, virgin men and women representing begotten children must be saved." p.1408
