The Great Awakening

You are watching a movie play out. Soon the movie will start to merge with actuality.

The tipping point of the Great Awakening is when the masses realize that everything in their life has been a lie. And that a small number of people have been using subtle, yet effective means of coercion to subdue and trick the entire population. Fall was descent in ignorance, DP explains.

"When Satan arrives at the end of the world, he will be left with nowhere to go. He will surrender." [Sun Myung Moon](#)

Father Moon promised he will expose all crimes on earth when he goes to the spirit world. But the wake-up process is very serious and delicate. Some big serious lies will be uncovered. Nasa, Cia, Disney, WW2, 911, Antarctica, Vatican, Mockingbird Mossad Media, Dumbs, Central banks, Fed, Synagogue of Satan, Black Triangles, The earth, Royal bloodlines, Frazzeldrip, Vrill, Adrenochrome, and much more. This has to be unwound delicately for your own sanity. It's coming out drip by drip. Nothing at this point can stop it.

Need of Ideological Victory in this Culture War

"To eradicate the source of evil, end the sinful history of mankind, and establish an era of goodness, we first must clarify the motivation of Satan and the nature of his being." [DP: The Fall](#)

Do you think we can build God's ideal world by ignoring the Cultural War, or by winning ideologically? The Kingdom of Heaven on earth is restored," when "Satan can no longer instigate any activity," for that, "we must understand the identity and crime of Satan and accuse him before God." ([DP](#)) What was his crime? Pedophilia! Is it an easy task to expose how spread satanism and pedophilia is today? Extremely difficult! As Rev. Moon told us, first we have to win ideologically, overcome the ignorance with the truth. Here is the model course for achieving that:

How did Rev. Moon lay the foundation for victory over the Satanic Communism? By creating [Washington Times and Victory over Communism](#). How did Communism surrender? Oh, the Washington Times exposed their crimes and lies. Why did Father Moon talk of UN army and the Alliance, fulfilling their responsibility to win over the nations on Satan's side? Washington Times fundraised millions to send stinger missiles to stop Communism in Afghanistan. Here we go - they SURRENDERED.

Operation Wakeup

How to uncover to the public all those magician tricks that have been played on humanity for decades

The battle is won already, this is Operation Wakeup. Think all good spirit world mobilized by Father. "By the time things are made public, it already had happened, probably mounts before, or even years before." [**](#) So pay attention, but don't let anything consume you. Decades of brainwashing is slowly being unwound. [\(1\)](#) We never knew how vast the network of satanic control on humanity was.

"Just as the earth's boundaries between nations will be erased, so will the invisible boundaries in the spirit world begin to fall." [\(2\)](#)

The IRS is going down. The unlawful taxation too. The Supreme Court will be removed or restructured. It's just a matter of turning the switch off and making it public. The system for the quantum reset is already in set. School curriculums will include meditation and visualization, a more holistic type of education. The new system gonna take us away from the material way of thinking.

You will be freed from the shackles of forced labor. The disclosure of the new tech will completely transform production, transport, medicine and education. The struggle for survival will no longer exist. Life will become so easy. [\(2\)](#)

As we wrote before, "Quantum lip is not a simple advance. It is a real jump. It will be the end of unfair wages. It will be the end of the disease industry. It will be the end of criminal organizations and inefficient education systems... Abundance will finally manifest on this earth." [Audio](#)

Soon we will fly fast to any point of earth, to moon, Mars and... This technology exist for a long time, but was kept secret. Totally human... [GhostEzra](#)

Expose the Cabal Operatives

Yes, Free Masons and Illuminate have local operatives in all areas and in the media, that will attack and smear you if you speaks the truth. They are really coming after you. But there is no real spiritual foundation behind them anymore. They are going down, so it's good that they are exposing themselves as part of the Cabal.

World-over the military is taking over. The war with China's CCP was already over the end of the last year. We wrote before, why and how China is now being liberated from Communism. Soon Korea will be united. Much of what's actually happening is hidden for the masses. When you see arrests or death of elite people, this announcement is coming a year or two after the real happening. Many were already executed.

The covid msm totalitarianism collapses!

What sick people rule the countries and the media? What sick people call slavery freedom? Even many members are victims of the all powerful mass media that has hi-jacked people's ability to think clearly.

North Korea is already with the Trump team. After media is taken down with order 1395.. (they will loose their license). Parallel media channels will be opened, and the **emergency broadcast** will be used globally. [\(7\)](#)

Exposing the falsehood of the Election process

Lindell: "Everything will fall like dominoes after Arizona because of what they're gonna find.. we have the evidence, they're caught." Recount is ongoing, Trump never conceded. [\(3\)](#)

As Gen. Flynn said, this is foreign interference. [\(4\)](#) Now there is absolute proof of the election fraud, using computers to hack the machines. [\(5\)](#) Military stood up after the election fraud in Mianmar. Many other nations will follow. For centuries the Cabal was completely controlling the elections. Democracy was just a theater to trick the masses.

Expose the Vax Conspiracy

Pro-vaccine doctor sounds alarm, "Stop vaccines now... they have made a grave mistake... the vax antibodies will destroy your entire immune system...!! But truth is, vaccines where always part of the Eugenics depopulation plan. How do you think we came here? Our ancestors had families with many children, while today many have difficulties to have their own child. Why did Autism increased with the increase of vaccinations? It's time to get it, Big pharma and the secular health system are enemies of the IMMUNE SYSTEM, enemies of GOD.

Stop the Relentless Push of Free Sex and Pedophilia

Here is a kid's TV show pushing pedophilia. (6) The Cabal's agenda was to tirre down the family unit bit by bit, until nothing of God's ideal of true love is left. Making humanity to accept transgender and pedophilia are the last steps to completely annihilate our God given consciousness and humanness.

Expose the Child Sex Trafficking

"Child Sex Trafficking is the Pandemic. Do your research of the millions of children going missing each ear." [Lin Wood](#)

You cannot have a normal world if the richest elite love to have their red shoos made from the skin of small children. (7) This is going to be the next big disclosure. How sick it may go. Cemex, Heinz, TerraMar, McDonald's - all used for disposing of dead bodies of children. Yes, particles in the cement, in the food processing and in the oceans. So please tell me how easy it is to open the truth about the elite to the society. Please think of God's miserable heart. The all pain he has to experience since the Fall while these satanic Liciferians were dominating and doing all those horrible things to his children. What we see now is that the War on human trafficking is going full scale. That's a sign of God's side winning.

We are Winning the Underground War

"It's a massive, global operation; 2.5 million arrests."

Cleaning operation. Military overtaking underground Cabal facilities all over the world. You can see all the satanic symbols they use and how vast developed is their underground system.

The map of the underground explosions where the war is held for the Deep Underground Military Bases, where the Deep State is still hiding. [See more](#)

As you can see in this video the Deep State has a system of super fast underground magnito-gravitational trains that allow them to travel to any point on the earth fro less than an hour. The Alliance is taking those down, to block their free travel and prevent their escape.

Fulfilling the sacred task of restoration

"The True Parents have indeed come as the substance of truth and are fulfilling the sacred task of restoration. True Father has devoted his entire life for the sake of God's liberation and the salvation of humanity according to the heavenly will. He has revealed the truth about God, humanity, the world, history, the spirit world, the identity of Satan, and all the heavenly secrets. Some 500 volumes of True Father's speeches have thus far been published." [Heavenly Bible](#)
