## CIG PREDICTIONS: Liberate our Children

**LATEST NEWS:** Germany Floods: 600 Bodies of Children Found in the Flood. And that's non local children. Obviously from the destroyed with the flood Underground Bases. [Read more...](#)

Hundreds of kids SEXUALLY ABUSED while in London council's care, inquiry finds. HORRENDOUS acts of cruelty and vicious sexual abuse over several decades. More than 700 allegations of sexual abuse against hundreds of staff spanning three separate children's homes has been uncovered by the inquiry, but estimates assume the real scale of abuse is much higher. That's the government's way of "Protecting vulnerable children and keeping them safe from harm." Children describe their HORRIFIC ABUSE as "Hell".

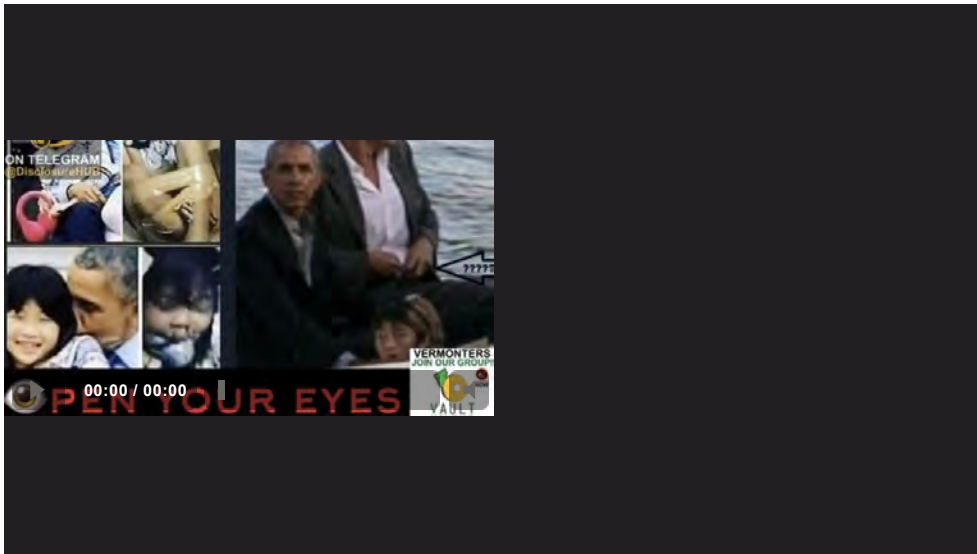

CIG PREDICTIONS:

# Liberate our Children

The history of restoration was a fight with extra celestial Fallen Angels, and the Matrix of their puppet elite on earth. We know of the pedophile act of Lucifer and his minions. God will not allow this evil to continue.

The first 3 videos in this report are very important to understand what we are fighting with and mainly **understand God's pain**. If you are real Unificationist and Peacemaker, if you really believe in God and the importance of true love and true families, you should see them. So, here is the last intel and the latest observed events.

**Freedom day** was declared in the UK today, July 19th as all restrictions related to the fake pandemic is lifted. In fact, this day celebrates the end of two centuries of Rothschild rule in England and is likely to become a permanent holiday, MI6 sources say:

"The first issue of Queen Victoria was a bastard of Rothschild making the whole line constitutionally illegal...The Rothschild family... is a proscribed terrorist organization as is their **Khazarian Mafia** (KM) collective...all of this nonsense we are dealing with is because the Rothschild Fifth Column are

And yet, we are still dealing with the consequences of the **250 years Khazarian rule**. For those who don't know history, Khazarians accepted Judaism but kept their satanic practices of child rape and ritual murder, plus adrenalized blood drinking as a way to obtain youthfulness and mobilize spiritual powers.

## 20 Babies Found in a Truck

*"There is more slaves on earth now than there was ever in history."*

Human trafficking and child trafficking reaches unbelievable proportions. Few million children are kidnapped and trafficked each year. Are you a believer in God if you keep closing your eyes in front of this satanism. Over half of the world slaves are children. It's not the Will of God that tyrants rule, that pedophilia is rampant.

**Babies were transported in carcasses of dead beef for further trade and sale!**

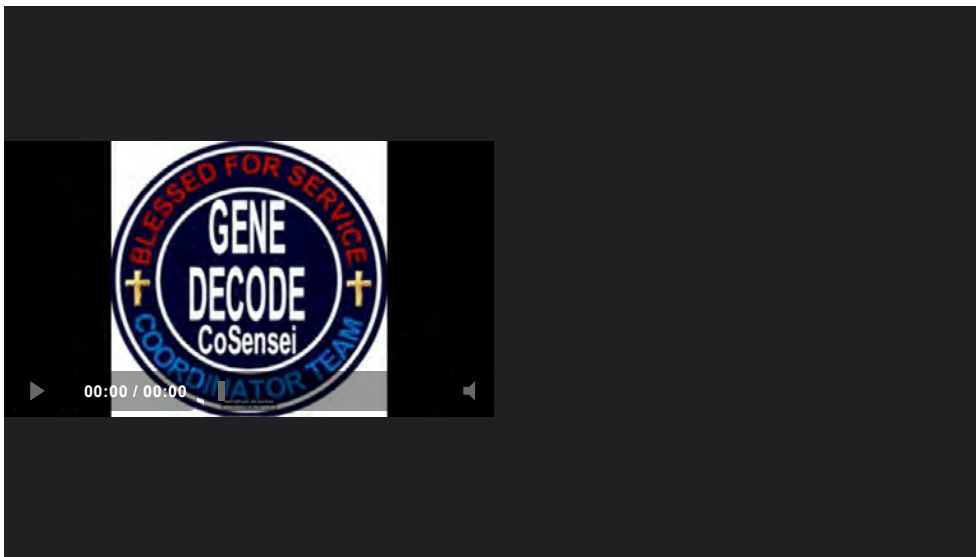

Here is a short translation of the article:

Child trafficking has reached unimaginable levels, this time a new form of child trafficking was discovered when 20 babies were found in a truck carrying beef!

The truck was stopped by Mexican authorities for a routine check at a checkpoint, the driver said he was transporting meat for a grocery shop, with this version the authorities checked the refrigerators from the truck.

Authorities found several babies in the meat with a dummy in their mouths to stop them from crying. The photo below is from a leading and trusted newspaper from the Dominican Republic. This photo has not been photoshopped, it is not a fake and not from anything else.

*In the following video you can see how federal services are participating in the child trafficking and abuse on children. They consider our children commodity.*

As you can see this is all coordinated and very well systematised method to pervert society and destroy the family construct. They actively work through education, media and legislation to turn the children against their parents and make parents powerless, so that they cannot teach moral values.

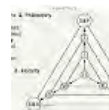

**COMMENT:** Sickening but because it is true we need to know this. The biggest half known situation was Haiti after the earthquake when the Clinton and Bush, W., joined to raise billions and then thousands of children were "orphaned" out though their relatives and parents protested.

This things get revealed and traffickers are now finally being arrested because in the last few years the military decided to stand up and stop this evil once and forever. Coronavirus was result of this war. Big part of this war is with the Underground facilities used for child and drug trafficking. You see the signs of this war all over the world.

The next weeks will Shock the WORLD.... WORLD RIOTS!!!!!! We see now the REVOLUTION in Cuba and in ALGERIA: No work, no transport, no schools, no businesses..... Everyone on the streets including police and army until the rotten government goes home. At the same time More FLOODS:

A sinkhole has appeared right in the middle of the road in New York's Upper East side this Thursday morning... Just two days ago another hole swallowed two cars in NY's west!

Remember. The Alliance literally have saved Plasma Wind Tunnels where these Black Hat vehicles can with stand extreme amounts of heat. So flying in and out of a volcano is child's play for some. Using the DEW over Mount Sasha is to stop the fleet from escaping. Thus gives us more Technology of theirs to capture.

CLIMATE CHANGE= COVER UP of world elites and companies and governments all connected to the Plandemic bioweapon virus. Bioweapon vaccine being exposed / pedophilia / human trafficking / corruption. See, [How Psychopath John Rockefeller Wiped-Out Natural Cures to Create Big Pharma](#)

- 30,000 Deaths from the Covid Vaccines just in US and EU
- 3,3 Million Injuries

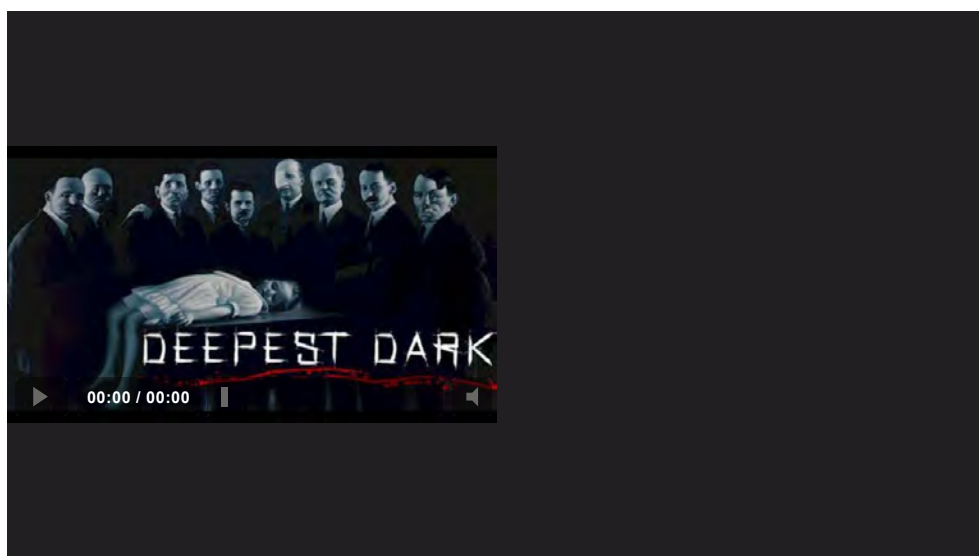

Scientists looking under the microscope at how the blood behaves in a vaccinated person. Horrible stuff! The vaccines are the real genocide. 82% of vaxed pregnant women in the 1 and 2 trimester suffered miscarriage. But here is what comes out about this virus:

1. The virus exists but cannot spread
2. Two things came out of Wuhan - The virus (SARs-CoV-2) and doses of adrenochrome (C<sub>9</sub>H<sub>9</sub>NO<sub>3</sub>)
3. SAR Technology has the ability to identify genome sequences
4. The virus was just a tool used to contaminate adrenochrome doses and mark/tag those who consumes it
5. Adrenochrome consumers indeed received the virus and were eliminated
6. The Vaccine is the revenge

You want examples, they are numerous: In Sports, Singers, Hollywood, the Royals & numerous Elites have disappeared and being replaced with actors, doubles or CGI. Hundreds & thousands of examples. Just look at the pictures from before and now. So many are replaced. It's urgent time to pray for the liberation of God and humankind. As Father Moon said:

*"I am asserting that, with love, I will liberate God who could not fulfill the purpose of love." It is logical to say that our sorrowful God, with His goal of love unfulfilled, is liberated by meeting Rev. Moon. It is not a daydream. I am asserting this based upon actual proof that comes from a systematic theory and precise data. Our work is to liberate God. If this is done, everything is concluded, is it not? God will be free to do as He wills."* Sun Myung Moon, [CSG p. 156](#)

Once the spiritual conditions were made, the liberation is coming now with boom and thunder. Epstein was just the tip of the iceberg. If you don't believe it, Google "Boy Lovers Association." There are children being exploited on a horrific scale. This Documentary, "Deepest Dark", is very graphic and disturbing. But the culture of true families, true love will be impossible to establish, as [Divine Principle explains](#), if this satanic evil is not exposed and unrooted from our society.

Read these chapters from **Rev. Moon's teachings**: "Section 6. The Fall: The Root of Free Sex and the Origin of Individualism," and "Youth Problems and Free Sex."

*"With free sex, the father's brother sleeps with the mother or a son sleeps with his mother. They are like animals. Thus, Satan laughs at God saying, "God, do You think You can establish Your ideal of creation and ideal of love under these circumstances?"*" Sun Myung Moon, [CSG p. 147](#)

"In the Garden of Eden Adam and Eve planted the seed of free sex in the shade, by falling through fornicating while in their youth. In the Last Days, therefore, which is the time of harvest, the phenomenon of an expanding trend of adolescent free sex will surely appear." CSG p. 368

*This Documentary shows you how deep the Satanic sovereignty and network of control over our lives had become. It's time for Liberation of God and His Children.*
