**FFWPU South America:** On May 17, an event centering on International Family’s Day was held in Lima and TRUJILLO Headquarters. We talked about the importance of the family in this time under the UN slogan. There were awards to the families who strove to maintain unity and harmony in their families. And new Ambassadors for Peace were appointed.

WFWP Peru hold a Women and Family Event, under the theme “The Role of Women and the Importance of the Family”. At this event we had a sisterhood and brotherhood ceremony. And Mrs. Patricia Contador, wife of Congressman Yonny Lescano was one of the participants.
