Dear Brothers and Sisters

This is an interactive Easter Sunday School event on Zoom for Elementary students of Subregion 2 ages 6 to 12.

It includes: games, music, an Easter Message, sharing and prayers. We are asking that children prepare for the event by watching two videos this week before the actual event

- **True Father's encounter with Jesus** [youtu.be/cbHfFhLqZ30](https://youtu.be/cbHfFhLqZ30)
- Movie **called "Heidi"** [youtu.be/FCCYibuUcPQ](https://youtu.be/FCCYibuUcPQ)

Also, if possible, please prepare a photo of the child(ren) showing an Easter activity, craft, artwork or even Easter eggs that they have dyed or colored, which can be shared with the group.
