Since the 4th of March 2018 until today we have blessed without stopping every Sunday and the 29th of April 2018 it was the 10th Sunday where we have blessed 18 Couples. In Total; 145 Couples were blessed in 10 Sundays. And Esanga Totalise 278 Couples Overall. The most important thing for us: We have a center where couples come every Thursday to continue their education program centered on True Parents' teaching and tradition.
