

Dr. Pak and Prof. Moon visit Kosovo and Albania

20th – 26th of October 2016

We are very grateful for the visit of True Parents' Special Emissaries Dr. No Hi Pak and Prof. Lan Young Moon to Kosovo & Albania which took place from 20th to 26th of October. Every time they visit Albania, True Parents' spirit is coming together with them.

As usually we did each time they came, their agenda was very intense, traveling everyday to different city.

UPF Event in Kosovo – “Righteous Peace, Sustainable Peace!”

On October 21st, a high level UPF activity was organized in Pristine – Kosovo with the participation of high level VIPs, including two Former Presidents, one Former Speaker of Parliament, current and former MPs, religious leaders, Ambassadors for Peace and guests. Dr. Pak conveyed to the audience the message of the True Parents.

UPF Activity – “Educating the children and young generation with the feeling of tolerance and understanding!”

This activity was organized on October 22nd in Vlora City, and over 70 people participated. The activity was organized in the form of a workshop, combined with a nice artistic program. Dr. Pak and Dr. Moon greeted participants and conveyed a warm hearted message for the young people.

Special Grace Ceremony in Durres Community

On October 23rd, Durres Community organized one day seminar as preparation for True Parents’ Special Grace. And at the end of the seminar, the Holy Wine Ceremony and Bequeathing CIG Holy Items was organized, led by Dr. Pak and Dr. Moon.

Visiting Tirana Communities

On October 25th, Dr. Pak and Dr. Moon spent time with brothers and sisters by visiting two Tirana Communities. They wanted to hear testimonies from young brothers and sisters and afterwards they shared their life experiences with True Parents. It was very precious moments for brothers and sisters to listen from Dr. Pak and Dr. Moon, who have spent over a century following True Parents.
