

# SET SAIL WS 2017

## Ship ahoy!

Ready to challenge the elements? There are storms raging in the world and sometimes also within ourselves. Some may say it's safer to stay in the harbour where no waves can hit us. But that's not what ships are built for! True Parents want us to be brave and conquer the seas. They are our light house, our beacon of hope amid the storm. This sailing workshop offers you the opportunity to once again set your inner compass, be part of a crew and

### set SAIL – Hope on the Horizon.

We want to spend this week together to deepen our understanding of Father's ocean providence and the beauty of God's creation. Let's enjoy a nice vacation! You will learn how to sail on Polyvalks (boats for 3-4 people) and get to know 1st and 2nd generations from all across Europe. So sign up as soon as possible!

*„ We have to accept everything, cold water and stormy skies. Always welcome the water with your hands, your feet, everything of your body. Do you do that every day? On the flat calm day look at yourself in the mirror of the ocean and realize the power of the water.“ True Father*
