

CIG Missionaries at work in Moldova

Jin Hwa Chong
February 27, 2015

FFWPU Northeast: In January special grace came to Moldova with the arrival of Cheon Il Guk Special Envoy, Rev. & Mrs. Cho. From the very beginning he started visiting Blessed Families of Moldova and participated in many national public meetings and activities.

The daily frontline witnessing activity is carried out by the efforts of local full-time members and six CIG missionaries. On February 16-21 we held the Seventh 7-day DP workshop attended by 4 new people and 6 members. Movie club, Famous People club, Prayer Meetings, Mentors' Meeting aimed at educating and training Blessed Families for successful realization of the Tribal Messianism, night prayer vigils on Fridays, Blessed wives' meetings are going on regularly on weekly basis.

On February 6, 2015, the International Volunteers' team under the UPF umbrella together with volunteers of the Local Youth Council of Hincesti region, organized a special program for the children with special needs at the Hincesti school which became our new partner in the UPF activities. The project was sponsored by the UPF International. Children received gifts: color pencils, albums for drawing, and sets of plasticine. Young people from Japan, South Korea, and Moldova sang songs and taught the children the art of Origami. The program included visiting the local Museum of Hincesti town.

On February 13, 2015, the Special CIG Envoys to Moldova attended the Meeting with the Youth Council at the College of the Science Academy of Moldova, one of the best educational schools for brilliant pupils from all over the nation, and the constant and enthusiastic partner of the UPF projects;

On February 14, 2015, a member of the Korean-Japanese Culture Center "SUN" in Moldova organized the Oriental Culture session, with care and love to its colleagues, by serving them Korean dishes and making together Origami Zuru.

On February 27, 2015, our CIG Missionaries participated in the quarterly project of the IRFF of Italy. During the past 20 years, Italian families have been sending material support to the poor families and orphan children of Moldova.
