FFWPU Moldova: With permission of the Chisinau' City Hall, the volunteers of the Family Federation in Moldova organized a street campaign under the motto "Happy Families – Prosperous Nation."

During 3 days, in Chisinau' down-town, the UPF volunteers handed out 4300 flyers with 15 habits of happy families. They were followed by an animator in a heart-shape costume, he entertained passers-by. This way we wanted to remind people of Moldova about the importance of the International Day of the Family and the Day of Families in Moldova.

Our campaign ended on May 15, with a flash-mob before the monument to the hero of Moldova, King Stefan the Great. We felt very inspired when some UPF Ambassadors for Peace and members of the Women's Federation joined us.

During these 3 days we were inviting people of Moldova to visit our website and join Celebration of the Family Day at the HQ of the Family Federation, on May 24.

On May 24, about 105 people, both members and guests, gathered at the Family Federation premises to celebrate the Day. We did it as open Sunday Service. Special Emissary Rev. Cho gave speech, then national leader emphasized the need to promote the family issue, in the light of the present situation. Then two Ambassadors for Peace, Dr. Mazur and Dr. Sava shared their experience about family. At the end of the program, there was the musical concert followed by family games. The atmosphere was bright and uplifting.
