**HARP Workshop In GLANOW, Poland - 27. December 2014 – 3. January 2015**

November 10, 2014

---

Dear Brothers and Sisters,

We, the Polish Family Church, would like to invite you to the 2nd generation workshop that will be organized in Glanow, Poland. The workshop is for the teenagers 14+. It will start with dinner on December 27th, 2014 (arrival day), and finish with breakfast on January 3rd, 2015 (departure day).

As you may know, it's been already for three years that we've organized international 2 generation workshops in Glanow. This year we would also like to invite teenagers not only from Poland, but also from other European countries.

As majority of our teenagers participated in summer programs organized by ESGD either in Camberg, Germany, or in the Netherlands, we want to provide some continuity, a chance for our children to deepen their understanding of the Divine Principle, of their own identity and their relationship with Heavenly Parent, True Parents and with each other.

In connection to these issues, we chose True Mother's words "Love, Forgive, Unite" as the motto of the workshop. We would like to help our teenagers understand, how these words can be applied in their everyday life, how through practicing them they can discover their identity, develop deeper relationships with Heavenly Parent, True Parents and others, to deal effectively with problems that inevitably appear when relating to family members, peers, etc.

This time Beatrice Clyburn will be the main lecturer at the seminar. Many of you may know her as she's been lecturing at 15- day European DP workshops for many years. Joyce Koetsier will be the MC of the workshop. All the lectures will be given in English.

We are in the process of negotiating participation of some elder second generation representatives, who will be the workshop team leaders. The seminar will include lectures, discussions in teams and different activities. In the afternoon we will provide sport activities in a hall. If the weather allows we will have some activities in the snow. We will also have reflection time/midnight prayer and joyful New Year celebration on the night of Dec 31st-Jan 1st. As all our teenagers are incredibly creative, we hope that they will be prepared to present their talents during that night.

It is also possible that we will have the Purity Ring Ceremony during the workshop for those teens who've turned 14 and don't have the purity ring yet. We had such a ceremony last year, and it

proved to be a very beautiful, deep and moving experience for everybody. We are asking those who'd like to be part of it to inform us about it when registering for the workshop.

The cost of the workshop will be PLN 380 (EUR 90) per participant. Every participant is asked to bring a sleeping bag.

Application deadline is December 1st. Please, try to apply as soon as possible due to the limited number of workshop spaces – we can accommodate only 40 participants.

Glanow is located about 30km away from the international airport in Cracow. For those coming by plane or train we will organize the pick-up (although you'll need to pay some extra money for that).

We would also like to suggest the 21 day condition of your choice for the success of the workshop starting from Dec. 1st. It would be good if both parents and teenagers join this condition.

The workshop director is Bogdan Brzyski. As there are many practical details to take care of, we ask you to send all the correspondence, including questions and application for the workshop, to Bogdan and Anna Brzyski

Please, pass this invitation to all who may be interested.
