

Children's Summer Camp

Glanow, Poland, 25. June - 02. July 2017

By Martha Kral

This year summer workshop was under the title of “Children of One God” and was held in our training center in Glanow. Children from age 7 to 14 were educated in how Heavenly Parent was working through different religions to educate his children until our times that True Parents could appear on earth and the meaning of True Parents for humankind and for Blessed Children and Blessed Families. There were two age groups, 7

to 10 and 11 to 14 years. We started from old Slavic religions, Far East Religions like Confucianism, Hinduism, Taoism, then Jewish religion, Christian belief and Islam and at the end the teachings and meaning of the coming of our True Parents. Children were open and interested and liked the WS very much, also the free programs with 3 different creativity blocks and with a lot of games. Accept of the lecturers and WS director, all responsibilities directly connected with the WS like MC, Team leaders and

team leader supporters, game coordinator etc. were done by 2 generation staff, even helping in kitchen and dining room. Altogether including lecturers – which came only for the day of their lectures we were 58 people. 32 WS participants, 11 BC as staff and the rest first generation support. It was a great piece of work together. Thanks to Heavenly Parent and to everyone for supporting this WS through prayer and in any other way.
