

DentheW Learey Appointed for Subregion 1 YAYAM Coordinator

Demian Dunkley and Miilhan Stephens

June 10, 2019

Dear Brothers and Sisters,

As was announced a few weeks ago, Cathy Kace has taken on the mission of BFM Coordinator of Subregion 1. Since then, National YAYAM and SR1 leadership have considered who to appoint as the new YAYAM Coordinator for Subregion 1. After much discussion and consideration of various candidates, who were all passionate and committed to the spiritual health and growth of our youth, we have chosen DentheW Learey to serve in this capacity. We are happy to announce that he has accepted the responsibility, and has already begun working on taking the youth and young adult experience in our subregion to the next level.

DentheW has demonstrated his commitment to God and True Parents for many years, serving as the assistant pastor for the Belvedere Family Church and working directly with our subregional leadership as the Talent Management Coordinator. When it comes to youth, there is no one like DentheW. For years he has voluntarily directed camps, workshops and retreats, and has been a solid older brother on and off the court. It's become common knowledge that if you have DentheW on your team, then you have nothing to fear.

As he takes on more responsibility, we pray that he and his wife Iasmin will receive all the support that comes with it!

Please give DentheW your full attention as it relates to YAYAM activities so that we can build a ministry we can all be proud of! As always for our new appointments, feel free to show him and Iasmin some love!

God bless the families of SR1!
