

Family Church of Connecticut - March 19th

Dentew Learey
March 19, 2026

Dear,

Happy Thursday everyone!

I hope you are all having a wonderful week.

I do apologize that this message is coming a bit later than usual, I just returned from Washington, D.C. after attending the rally. I also wish I had taken more photos to share (I usually rely on my wife for that!), but I've included the two I was able to capture. I'm sure many more, and much better ones, will be shared on Facebook and Instagram soon.

All in all, over 500 people came out to show their support, including nine of us from the Connecticut Family Church. It was truly a beautiful and moving event, a powerful testament to the heart of the Japanese members and all they have offered not only to our movement, but to the world.

Please join me in prayer that through this effort, and through all that has been done, the heart of the Prime Minister may be moved, and there can be a happy ending to all of this.

I look forward to seeing you all Sunday at 10:30!

Free Books(again)!

As we've been organizing and cleaning out our church closets, we discovered quite a few books that we no longer have space to keep.

Again this Sunday, we will place them on a table during service, and everyone is welcome to take a look and see if there are any you would like to take home. We

would be happy for these books to find a new home where they can continue to be enjoyed and appreciated.

Any books that remain afterward will be donated or respectfully let go.

If you feel moved to give a voluntary donation, it would be greatly appreciated and will go toward supporting our community.

What's Coming Up?

- March 20/21 - BIA play Hitchhiker's Guide to the Galaxy
 - March 22nd - Sermon from Dentew
 - March 29th - Home Group Service (If you are looking for a Home Group please reach out and we can find you a home)
-

From time to time, Bridgeport Hope School is in need of substitute teachers for short periods (typically 1–4 hours) when a regular teacher is unavailable due to illness, appointments, or family emergencies.

We serve students from Kindergarten through 8th grade, and the material is straightforward. Lesson plans and curriculum will be provided, the role primarily involves presenting the material and engaging with students in discussion.

If you are interested in helping or would like more information, please feel free to reach out. This is a paid opportunity.

Thank you for your support!
