

Family Church of Connecticut: March 26th

DentheW Learey
March 26, 2026

Dear,

Happy Thursday everyone,

I'll miss you all this week, but I truly hope you have a meaningful and uplifting time in your home groups.

Small groups are essential for continuing to grow and deepen your life of faith. It's in these spaces that we can share openly, reflect on what's happening in our lives, and recognize where God is leading us.

My hope is that we can continue to build even more of these groups. If you feel inspired to start one and go deeper in your own faith journey, please let me know, I would love to support you and help make it happen.

Let's continue to grow together. Love you all and see you soon!

SPICELAND

NATIONAL YOUTH CAMPUS

Your gift doesn't just support a property. It's making God's dream real for the youth, by the youth.

We are building a dedicated campus for leadership development and skills training for the youth of North America. Just one hour from Indianapolis, this expansive former Girl Scouts property is being transformed into a place where young people can host training, workshops, and more for growth in community, identity, and love.

Open and Unafraid: The Psalms As a Guide to Life

Mika Deshotel is looking to start a small group focused on diving deeper into the Book of Psalms, and she is wondering if there is interest in joining.

The details are still being finalized, but if this is something you would be interested in, please feel free to reach out to her directly or by email at m.deshotel@hji.edu.

Once enough people have expressed interest, she will be able to apply for a study resource that will be provided free of charge to those participating in the small group.

Watch Demian's sermon last Sunday, at the grand opening of the National Youth Campus in Spiceland!
