Phillip joined the Unification Movement when he was 26 years old and was Blessed in marriage with Harue McCracken in 1982. Their only daughter Haruko was born in 1984 and Phillip has always been a part of the church and very involved in special missions, as well as working very closely with the late David Kim.

He is a UTS Graduate and has done significant missions in Moscow, Uganda, Korea, Japan, and other countries around the world.

He loved to listen to conservative talk radio and recently became very fond of listening to Josh Groban.

On May 12, 2020, he was taken to North Memorial Hospital where he was diagnosed with Pneumonia. It was later discovered that he tested positive for COVID-19 and had ascended to the spirit world on May 18, 2020 at approximately 6:15 PM Central Time.

He was loved and will be in many of our thoughts.
