Our Words Have Power

with Myrna Lapres

Every word we speak has energy and power--the power to hurt or heal. Dr. Masaru Emoto was a pioneer in the study of water. Through his numerous experiments, he discovered that the human vibrational energy of thoughts, words, ideas, and music affects the molecular structure of water. For over 20 years until he passed away in 2014, he studied the scientific evidence of how the molecular structure in water transforms when it is exposed to human words, thoughts, sounds and intentions.
