External Goal: 15 guests to Café / 3 guests to regular lecture course

Witnessing Activity

We have been witnessing on campus of Queen Mary University since last month. (Mon. to Fri. 11 a.m. to 4:30 p.m.) We have more guests who are interested in DP this month. The spirit world might trust us more because we go to the college every day. Our chongsong can be accumulated. We are very happy to do witnessing together with CARP and local members. We are very inspired to see them invest to the guests. Some wanted to purchase the D.P. The other shed tears when she heard, "God's love is Parents' love." We would like to be more grateful to this environment and invest our utmost effort to actualize Heavenly Parent's and True Parents' desire!

Witnessing meeting with Matthew (NL) and CARP members on every Tuesday 🖐🖐

1 DAY Work Shop 19th

We attended One-Day Workshop organized by CARP. Matthew, the NL, and Mr. Franklin, pastor of South London Family Church, gave us lectures. Attendees, local 2nd gens and guests, discussed over the points after the lectures, and deepen their understandings of the D.P. Some wanted to attend again and learn more. We would like to bring our new witnessing guests to One-Day Workshop in the near future.

Tembu-Houonko 19th

天父報恩鼓

For the last two months we have been practicing drums—Tembu-Houonko, after the Sunday Services in South London. We performed for the first time at Simon-san and Yuriko-san's birthday party. We chose one of True Mother's favorite songs called, "Sarang Chaja Insen Chaja." It was such a big party with almost 150 people! We had a great experience by performing there.

Practicing was fun. We plan to try new songs. We will practice a lot in order to spread Japanese culture!

Interfaith Pilgrimage 20th

We attended a Sunday Service in North London for the first time, followed by a project to visit churches of different religions together with Jeff-san, the pastor. The purpose of this project is to respect other religions and try to understand each other's culture.

We visited The Sikhism, Muslim, Church of England, Judaism churches. We listened to their talks. There are so many different religions in U.K., due to interracial environment. Through this experience, our image toward different religions has changed. We learned that it is important to become one by respecting and understanding each other.

See you next time!!!
