Dear Brothers and Sisters,

Below, we send to you Kyoko's brief illustration of her life.

It brings the community of Poconos great joy to share the peaceful holy ascension of our sister, Kyoko Pickell. Our sister leaves behind on earth her husband Robert and her children Cheylene, Erbec, and Chai'me.

Kyoko was born in Japan to Korean immigrant residents of Japan. Robert and Kyoko were blessed in 1982. Kyoko-san was diagnosed with Cancer in July of 2013 and was brought home from her doctor's care on Tuesday the 15th of July. She ascended at 2:20am on Saturday the 19th of July.

In the final 3 days at Home she was visited by family and friends who sang songs, made peace, and shared prayers. Kyoko-san wanted no one to suffer. She comforted all teary eyed visitors. She offered "Aju" to every prayer even though she could hardly speak.

Our sister is with Heavenly Parent in front of the throne of Glory filled with golden light that pierces all darkness. We are all uplifted by her testimony.

Let us please continue to support the Pickell family through prayers as she makes her glorious transition into the spirit world. Thank you for your countless support!

Sincerely,

Pastor Manoj
