## Heavenly Parent's Holy Community of Seattle, WA Family Federation for World Peace & Unification

Dear Seattle Heavenly Parent's Holy Community, Blessed Families, Brothers and Sisters,

Greetings of Peace and may the love of our Heavenly Parent and True Parents fill your spirit. September 11, 2021, from 4:30 pm Pacific time will be Think Tank 2022 - Rally of Hope broadcasting from Korea. I hope that you have put this event on your calendar. There is a very interesting line up of speakers from here and abroad and of course our True Mother will be there. Please join!

Our True Mother is truly determined in bringing about the Unification of North and South Korea by 2022. Let us support our True Mother on realizing this goal through our prayers and in promoting this concept of unification. And maybe inviting our family and friends in watching Universal Peace Federation (UPF) sponsored programs related to the North - South Unification.

Locally, we are having two events this September. First is the UPF sponsored program in Celebration of the International Day of Peace and Proclamation of the Abel UN. It will be on Thursday, September 23, 2021. Second is the Virtual Prayer Brunch on September 25, 2021 sponsored by ACLC. Please invite your family and friends.

COVID 19 is continuously spreading, please be careful and be mindful of others as you follow safety protocol. Also, I know that while some people recovered and are recovering from sickness, some others are just getting sick. Let us pray and support one another through our prayers. If you are able to, make a phone call to check and extend God's love to someone you have not talked to for a while.

My sincere appreciation to each and everyone of you for sharing your time, your talent, your resources and all that you are giving to our church community. Thank you very much for all the support!

Let us give more and let us do more so we can hasten the providence.

God bless!

Sincerely,

Rosie Dijan Muyongo - Senior Pastor
