Dear Seattle's Heavenly Parent's Community, Brothers and Sisters,

Greetings of Peace to all of you! I hope you are all doing well.

Tomorrow is our Pastor's Summit, October 16, 2021, Saturday from 10 am to 3:00 pm. We expect to have five participants, two of whom are Pastors and the other three are Ambassadors for Peace and guests through HTM. Please support us with your prayers. If you cannot join us in person, please join us through Facebook Live via Seattle Family Church page. Pastor Nelson Mira, Mrs. Dianne Araki and I will be the presenters. We all have not lectured for awhile so this is quite a new experience. What we all have is the heart that longs to express the Heart and Will of our Heavenly Parent and True Parents. May the whole program be filled with spiritual support from the Heavenly spiritual world and from all of you.

Please read Sub-region 5 Newsletter and weekly updates from Pastor Nelson for other news.

Don't forget that we are to welcome Dr. Chung Shik Yong in our community this November 6, 7, 8, 9. Let us continue with our prayer for his safety as he travel around the country. And also, let us pray that we can receive and attend him well together with the other leaders.

Thank you again for all your support, be it through your prayers, tithes, attendance in Sunday Service and other events, outreach, in-reach, volunteering for Ballard work party, preparing lunch for Sunday service and other gatherings. And whatever other forms you are connecting and sharing what you have to the community, please know that you are appreciated and your offering is accepted.

Let me know if there is anything I can be of help. I pray for your good health, may healing can come to those who are sick and comfort to those who are going through difficulties in this community. For those who are looking for a job, I pray that you can find the right job for you at the right time.

God bless always!

Sincerely with love,

Rosie Dijan Muyongo - Pastor
